TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

The polls will be open from 8:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Strafford in the County of Strafford in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the **Strafford Town Hall** in said Strafford on Tuesday, the Tenth (10th) day of March, next at 8:00 A.M. to act upon the following subjects:

**** 1.** To choose all necessary Town Officers for the year ensuing.

**** NOTE:** ALL ARTICLES EXCEPT ARTICLE 1, WILL BE TAKEN UP AT 8:30 A.M., SATURDAY, MARCH FOURTEENTH (14th) 2009 AT THE **ELEMENTARY SCHOOL**.

2. To see if the Town is in favor of implementing a "pay as you throw" program at the Transfer Station/Recycling Center.

3. To see if the Town will vote to form a committee comprised of one Selectman, the Transfer Station/Recycling Center Supervisor and five (5) residents. Committee members will be chosen by the Board of Selectmen after a review of letters of interest from those willing to serve on this committee. Furthermore, to raise and appropriate the sum of \$5,000. for the purpose of funding this committee whose charge will be to research and establish procedural guidelines, fees and any other costs associated with implementation of the "pay as you throw" program. This article is contingent on Article 2 passing.

4. To see if the Town will vote to raise and appropriate the sum of \$285,000. for the purpose of design engineering and construction of a replacement bridge on Northwood/Bow Lake Road (Bridge No. 085/040) and to authorize the withdrawal of \$37,000. from the Bridge Repairs Capital Reserve Fund and further to authorize the Board of Selectmen to accept a bridge grant in the amount of \$228,000, with the balance of \$20,000 to be raised by general taxation.

5. To see if the Town will vote to raise and appropriate the sum of \$221,000. for Capital Improvements with ditchwork, culverts, gravel and paving of the following roads at the discretion of the Road Agent, as funding permits:

- a. The Canaan Road from the Barrington town line to the intersection of Route 202A
- b. Beaver Dam Estates – Birch Road, Kendall Lane and Beaver Road.
- c. The Province Road, from the end of the 2006 paving West.

6. To see if the Town will vote to raise and appropriate the sum of \$30,000. to chip brush and clean up debris from damages associated with the ice storm of December 11, 2008. Funding to be as follows; \$22,500. from FEMA, and the balance of \$7,500. to be raised by general taxation.

7. To see if the Town will vote to raise and appropriate the sum of \$5,000. for the purchase of a generator for the Police Department.

8. To see if the Town will vote to raise and appropriate the sum of \$10,000. for Emergency Management supplies and a trailer to be used as a mobile on-scene command center, and for storage of associated equipment and supplies (i.e. traffic cones, road signs, etc.).

9. To see if the Town will vote to raise and appropriate \$30,000. for the purchase of a generator for the Strafford Town Hall.

10. To see if the Town will vote to raise and appropriate the sum of \$209,740. for the operation and maintenance of the Strafford Fire Department and Rescue Squad.

11. To see if the Town will vote to re-allocate the distribution of revenues received for ambulance services, so that 100% goes to the special revenue fund known as the Rescue Vehicle and Equipment Fund established by Article 8 at the March 14, 2000 Town Meeting.

12. To see if the Town will vote to discontinue the Ambulance Services revolving fund created in 2008 pursuant to RSA 31:95-h. Said Funds, with accumulated interest to date of withdrawal, in the amount of \$11,501. are to be transferred to the Town's general fund. This article is contingent on Article 11 passing.

13. To see if the Town will vote to raise and appropriate \$11,501. to be placed in the special revenue fund known as the Rescue Vehicle and Equipment Fund established by Article 8 at the March 14, 2000 Town Meeting, pursuant to RSA 31:95-c. This sum to come from the unreserved fund balance and no amount to be raised by general taxation. This article is contingent upon Articles 11 and 12 passing.

14. To see if the Town will vote to raise and appropriate the sum of \$80,000. to be used for the third year's payment on the five year lease agreement for the purpose of leasing to own a new pumper/tanker as voted by Article 15, at the 2007 Town Meeting. This lease agreement contains an escape clause.

15. To see if the Town will vote to raise and appropriate the sum of \$165,743. to be used for the final payment of any balance due on the five year lease agreement for the purpose of leasing to own a new pumper/tanker as voted by Article 15, at the 2007 Town Meeting. This lease agreement contains an escape clause. Furthermore, to authorize the withdrawal of \$165,743. from the Capital Reserve Fund created for this purpose. No funding to come from general taxation.

16. To see if the Town will vote to establish a Capital Reserve Fund pursuant to RSA 35:1 for the purpose of future Fire Department building improvements and/or construction, and to raise and appropriate the sum of \$25,000. to be placed in this fund, and to designate the Board of Selectmen as agents to expend.

17. To see if the Town will vote to raise and appropriate the sum of \$51,500. for the purchase of a new monitor/AED, lift assist cot, auto-pulse CPR board and equipment mandated by State protocol changes, and to authorize the withdrawal of \$51,500. from the special revenue fund known as the Rescue Vehicle and Equipment Fund established by Article 8 at the March 14, 2000 Town Meeting for this purpose. No funding to come from general taxation.

18. To see if the Town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of police special details. All revenues received for police special details will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the Town's general fund unreserved fund balance. The Town Treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created.

19. To see if the Town will vote to raise and appropriate the sum of \$433,698. for the operation and maintenance of the Police Department.

20. To see if the Town will vote to raise and appropriate \$35,000. for the purchase of a police vehicle and equipment and to authorize the withdrawal of \$3,000. from the Capital Reserve Fund established for this purpose. The balance of \$32,000. to come from general taxation.

21. To see if the Town will vote to raise and appropriate \$20,000. to be placed in the Capital Reserve Fund established by Article 8 in 2007 pursuant to RSA 35:1, for the purpose of repairs and/or replacement of the Town owned dock located on Water Street.

22. To see if the Town will vote to raise and appropriate the sum of \$1,113,595. for general Town operations.

[The intent of this article is to raise the sum of \$1,113,595. exclusive of all other Articles addressed.]

23. To see if the Town will vote accept the following ordinance:

Acceptance of Credit Cards. The Tax Collector will be allowed to accept credit card payments pursuant to RSA 80:52-c for the collection of local taxes, charges generated by the sale of utility services or other fees. The Town may add to the amount due, in addition to any interest and penalties payable, a service charge for the acceptance of the card. The amount of the service charge shall be disclosed at the time of the billing. The Board of Selectmen in coordination with the Tax Collector may adopt rules and regulations regarding the collection procedures.

24. "Shall the town vote to adopt the provisions of RSA 36-A:4-a, I(b) to authorize the Conservation Commission to expend funds for contributions to 'qualified organizations' for the purchase of property interests, or facilitating transactions related thereto, where the property interest is to be held by the qualified organization and the Town will retain no interest in the property?"

25. "Shall the Town vote to adopt the provisions of RSA 36-A:4-a I(a) to authorize the Conservation Commission to expend funds to purchase interests in land outside the boundaries of our municipality, subject to the approval of the governing body?"

26. "Shall the Town vote to expand the Veterans' Tax Credit from \$200.00 to \$400.00 per year in accordance with RSA 72:28." (by petition.)

27. "Shall we modify the elderly exemptions from property tax in the town of Strafford, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, \$30,000.; for a person 75 years up to 80 years, \$40,000.; for a person 80 years of age or older \$50,000. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such a person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$40,000 or, if married, a combined net income of less than \$60,000.; and own assets not in excess of \$200,000 excluding the value of the person's actual residence and up to 2 acres or the minimum single family residential lot size specified in the local zoning ordinance." (by petition.)

28. "To direct the Selectmen of the Town of Strafford to cap any increase of their Annual Budget to any projected increase in revenue above the last Annual Budget and in no case to increase the Annual Budget more than the rate of inflation, as defined by the "National Consumer Price Index-(Urban/Rural)" (CPI-U/R) as averaged over the twelve months preceding the vote on the new Annual Budget." (by petition.)

29. "We, the undersigned, being legal voters in the Town of Strafford, hereby petition the Board of Selectmen of said Town to place the following article on the warrant for the 2009 annual meeting.

New Hampshire Energy Efficiency Initiative

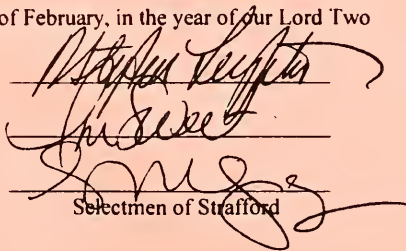

To see if the town will vote to direct the Selectmen to utilize state and federal funds to maximize energy efficiency in town buildings and cut municipal energy costs.

The Selectmen will:

1. Work with the town's utility to conduct a comprehensive energy survey free of charge for all municipal buildings to identify cost-effective, energy-efficiency improvements that would reduce energy use and town energy costs.
2. Apply for all state and federal programs applicable to the town that direct resources to municipalities for the purposes of energy efficiency and infrastructure improvements of town buildings.
3. Use available state and federal funds to complete low cost energy-efficiency improvements to town buildings." (by petition.)

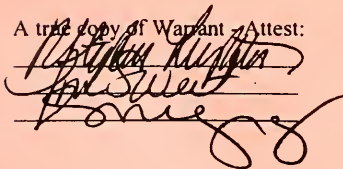

30. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 17th day of February, in the year of our Lord Two Thousand and Nine.

Selectmen of Strafford

A true copy of Warrant Attest:

REPORT FROM THE SELECTMAN'S OFFICE

Town and School elections will be held on Tuesday, March 10, 2009. The polls will be open from 8:00 A.M. to 7:00 P.M. for voting purposes. Article 1, to choose the necessary officers, will be voted on at this time. Articles 2 through 20 will be presented for consideration at 8:30 A.M. on Saturday, March 14, 2009.

This year was an eventful one for the Town of Strafford. After record snowfall levels last winter, we embarked upon a summer of unsettled weather which included punishing rains and tornadoes that greatly affected our neighbors and largely spared us. Our year finished with a December ice storm that left many without power for a week or more and wrought havoc on the day-to-day life of Strafford residents. In between, the Northwood Bridge was closed by the state, a new town hall was erected, and the engineering of our town dock was sent out to bid.

Over the past year, we have completed the following projects: Construction of a new Town Hall, delivery of the existing Town Hall to the school, and paving as described in Article 4. We would like to take the opportunity to thank Whitcher Builders and Tony Fallon Architecture for all they have done to make the new Town Hall a reality.

In the midst of all these challenges and accomplishments, we have dealt with the consequences of a failing economy, both with respect to our tax base and fulfilling our welfare obligations to Strafford's neediest residents. According all due respect to the hardworking taxpayers of this town, we have held every department to a 0% increase in net appropriations, including warrant articles, over last year's budget.

This year we come to you with warrant articles that are a direct result of lessons learned over the past year and this board's view to the future. Article 2 presents the pros and cons of instituting a "Pay As You Throw" program in Strafford and asks you, the voter, to decide whether this is a desired change for our community. The ice storm was an enormous learning opportunity, as we realized just how vulnerable Strafford is in a state of emergency. As a result, Articles 7 – 9 request your approval of generators for the town hall and police station, as well as funding for emergency management equipment. The Fire Department seeks to update its medical equipment to provide a greater scope of medical care as mandated by the state. Realizing that full time fire/medical coverage is several years down the road, we propose to unite the two ambulance funds established last year to put the money where it is best spent – on patient care. We are also seeking to address several critical station needs through the establishment of a building capital reserve fund. We further seek to pay the newest engine off early, placing us in the enviable position of a town with no debt. Last but not least, the Police Department's 4-wheel drive vehicle is finally beyond repair, and we request the funding to replace it.

The board serves, but it does not serve alone. Our visions become reality through the efforts of the Road Agent, the Recycling Center Team, the Police Department, the Fire Department, and all the residents and companies that have volunteered their time and energy on commission, boards, committees, and various special projects. We thank you all.

This year ended on a somber note. Even as we were preparing for the budget hearing, former Selectman Gloria Creamer passed away. We will greatly miss her dedication to the town, the office, and the people who serve them both.

Respectfully,

R. Stephen Leighton
Lynn Sweet
Stephanie Gray

BUDGET OF THE TOWN

OF: STRAFFORD

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2009 to December 31, 2009

or Fiscal Year From _____ to _____

IMPORTANT:

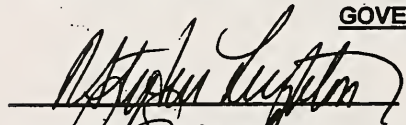

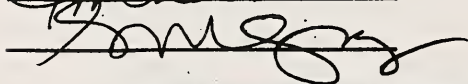

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the operating budget and all special and individual warrant articles in the appropriate recommended and not recommended area. All proposed appropriations must be on this form.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below within 20 days after the meeting.

This form was posted with the warrant on (Date): February 19, 2009

TOWN CLERK'S REPORT - 2008

It has been a pleasure to be your Town Clerk this year, and to see you as you come in to register your vehicles, license your dogs and take care of other Town business.

On December 1, 2008 we moved into our new office location on Mountain View Dr. See below for the details of our new location:

NEW Town Clerk's office hours: (starting Dec. 1, 2008):

Monday – 8:30 – 2:00	Wednesday – 8:30 – 2:00
Tuesday – 1:00 – 7:00	Thursday – 8:30 – 2:00

NEW Town Office location (starting Dec. 1, 2008):

12 Mountain View Dr.
(behind the Strafford Post Office on Parker Mountain Rd.)

Town Clerk's mailing address (no change):

P.O. Box 169
Strafford, NH 03884

The Town Clerk's office offers the following services:

Vehicle Registrations - Dog Licenses - Vital Records - Voter Registration –
Marriage Licenses – Election Coordination - Dump Stickers

The Town Offices will be closed on the following days in 2009:

January 1	(New Year's Holiday)	September 7	(Labor Day)
January 19	(Martin Luther King Jr. Day)	October 12	(Columbus Day)
February 16	(President's Day)	November 11	(Veterans Day)
March 10	(Town Election Day)	November 26	(Thanksgiving Day)
May 25	(Memorial Day)	December 24	(Christmas Eve Day)

- On all Election Days, the polls open at 8:00 A.M. and close at 7:00 P.M.
- Town Meeting will be held on Saturday, March 14, 2009 at 8:30 A.M.

Check the Strafford Community Calendar's "Notes From The Town Clerk" each month, for news and reminders from the Town Clerk's Office. The community Calendar is on-line at www.straffordcommunitycalendar.com

You can also find Town Clerk information on the Town of Strafford's Website at www.strafford.nh.gov

If you have questions throughout the year, please don't hesitate to call us at (603)664-2192 Ext. 102. We are always happy to answer your questions and help in any way we can.

Respectfully Submitted,
Diane Waldron
Strafford Town Clerk

TAX COLLECTOR'S REPORT FOR 2008

It has been my pleasure to serve as your Tax Collector for the past eleven years. As Tax Collector, I am responsible for collecting revenue from; Property Taxes, Yield Taxes, Current Use Change Taxes, and executing liens. I must also record all money that comes through my office, as well as respond to inquiries from homeowners, mortgage companies, attorney's offices and the general public. My goal is to keep records current and accurate in a courteous, timely manner. All of which is becoming more time consuming as our town continues to grow.

Check out the question and answers section on tax related questions on the new Town Web-site.

In 2003 the Department of Revenue Administration started a "Low and Moderate Income Homeowners Property Tax Relief" program. Forms (DP-8) may be picked up at my office or downloaded from www.revenue.nh.gov after April 1st. These must be postmarked no sooner than May 1 and no later than June 30. Be sure to check with my office during that time period.

Forms for "The Soldiers' & Sailors' Civil Relief Act" are also available if anyone is in need of them. If the taxpayer received activation orders which stipulate Title 10, pick up the forms at my office to see if you are eligible for this Civil Relief Act.

Strafford's School Budget for 2008 is \$9,489,814.00 (Gross Approp.-Revenue). The State has calculated that the cost of an Adequate Education in Strafford is \$2,271,177.00. The State Property Tax will raise \$1,083,422.00. We will receive an Adequate Education Grant for \$2,271,177.00. This leaves \$6,135,215.00 to be raised by our Local School Tax. That sets the 2008 school tax rate at \$12.44 per \$1,000 of assessed valuation.

Strafford's Gross Appropriations are \$2,674,018.00, less Revenues of \$1,732,709.00, less Shared Revenues of \$12,195.00, add Overlay of \$28,144.00, and War Service Credits of \$41,400.00, making a Net Appropriation of \$998,658.00.

The total Property Tax Warrants this year were \$9,266,193.00. There was no Current Use Change Tax Warrants for the year. There was no money turned over to the Conservation Commission of Strafford. The total Timber or Yield Tax Warrants were \$9,685.70

Strafford's 2008 Town Tax rate is \$2.02, and County Tax is \$2.21, School Tax is \$12.44, State School Portion is \$2.21. Our Total Tax Rate for the year 2008 is \$18.88.

Our 2008 lien was \$221,999.41. This is a \$21,693.74 increase from last year.

Deputy Martha English has been a tremendous asset to this office. Many thanks for all you do, Martha.

If you have not done so please come in and ask for a tour of the new building. Come in and see what you paid for.

Respectfully submitted,
Judith Dupre'
Tax Collector

ASSESSING DEPARTMENT ANNUAL REPORT

In 2008, approximately 500 properties were visited and photos were taken as part of an ongoing database maintenance program.

The assessments in Strafford remained very close to "Market Value" in 2008.

Data verification of all properties will continue this year. We expect to visit another 500 properties in the southwest and northwest sections of town in 2009, in addition to those changes that occurred since 4/1/2008 or had ongoing projects as of that date. The reason for this is to keep the assessing database as up to date and accurate as possible to ensure the utmost equity among the taxpayers.

If no one is at home we will take the opportunity to verify the exterior measurements of all primary improvements (buildings, etc.). If an adult is home at the time of the visit, the representative from the Assessor's Office will ask to verify the interior information via tour provided by the adult. At no time will a representative enter a property where a minor is the only person at home.

In the event a property is posted "No Trespassing", the representative will knock on the door to seek permission to verify the physical data. In the event no one is home, there will be no attempt to verify the exterior data. The Assessing Official will make another attempt at a later date. If the property is "Posted" and gated, the Assessor's Office will not enter the premises. However, there will be a letter sent requesting an appointment to verify the physical data. If the property owner doesn't respond to the request, it will be considered a refusal and treated as such resulting in an estimate of data.

I would like to thank you for your continued cooperation.

Sincerely,

Todd Haywood, CNHA
Strafford Assessing Agent

February 18, 2009

To Whom It May Concern:

Please note that the Town's financial audit for the year ending December 31, 2008 is in process, therefore there is no Auditor's Report available at this time.

Upon completion of the audit, the information will be available at the Town Office.

TOWN OF STRAFFORD
Board of Selectmen

R. Stephen Leighton, Chairman

Lynn Sweet, Selectman

Stephanie Gray, Selectman

**TOWN OF STRAFFORD
TOWN MEETING MINUTES – MARCH 22, 2008**

The meeting was called to order at 8:00 a.m. on Tuesday March 11, 2008 at the Strafford Elementary School in the Town of Strafford, by Moderator Pro-tem Diane Waldron to act on Article 1 of the 2008 Town Warrant by ballot vote.

The ballots were cast and the meeting recessed at 7:00 p.m. for the purpose of tallying the votes.

The 188th Strafford Town Meeting was called to order at 8:30 am on Saturday, March 22, 2008, at the Strafford Elementary School by Moderator William Lord, to act on Articles 2 through 20.

The Boy Scouts conducted a short presentation and we said the Pledge of Allegiance.

The Moderator announced the results of the March 11, 2008 Town Meeting as follows:

1. To choose all necessary Town Officers for the year ensuing.

Voters on the checklist	3,011
Votes cast	631
Selectman – Three Years	
Stephanie Gray.....	182
Library Trustee – Three Years	
Nancy F. Baxter.....	559
Trustee of the Trust Fund	
Michelle Benger.....	551
Moderator	
William G. Lord... ..	555
Supervisor of the Checklist	
Marilyn Roderick.....	572
Road Agent	
Greg Messenger.....	584

Moderator Lord welcomed all to the meeting and explained the rules of the meeting.

Moderator Lord introduced the Selectmen and Town Clerk at the head table.

2. To see if the Town will vote to raise and appropriate the sum of \$450,000. for the construction of a new Municipal Offices Building on existing Town land and authorize the withdrawal of \$350,000. from the capital reserve fund created for that purpose, with the balance of \$100,000. to come from general taxation. The Selectmen recommend this article. (Estimated tax impact \$.20)

Moderator Lord read the article. Motion made and seconded.

Selectman Steve Leighton and Tony Fallon addressed and presented the article.

Jim Forsythe made a motion to amend the article to read:

“To see if the town will vote to raise and appropriate the sum of \$480,000 for the construction of

a new Municipal Offices Building on existing town land and authorize the withdrawal of \$350,000 from the capital reserve fund created for that purpose with the balance of \$130,000 to come from general taxation. The site work to be done by the lowest original bidder.”

Moderator Lord re-read the amendment. Vote taken on the amendment and carried.

come from general taxation."

intended to cover the additional costs for geo-thermal heat and additional insulation.

The Moderator asked for vote counters.

NO - 61

Moderator Lord re-read the article as amended. Vote taken on the article as amended and carried.

3. To see if the Town will authorize the Selectmen to sell the existing Town Office building to the Strafford School District for the sum of \$1.00 (one dollar). This article is contingent upon Article 2 passing. The Selectmen recommend this article.

No discussion. Vote taken and carried.

4. To see if the Town will vote to raise and appropriate the sum of \$231,000. for capital improvements to the following roads including drainage, gravel and paving:

- a. Second Crown Point Road from the intersection of the Cross Road (North) approximately 1.1 mile to the end of existing pavement.
- b. Province Road (West) from the end of 2007 paving (French Meadow) approximately .8 mile to the intersection of the Webber Road.
- c. Sunny Oak Terrace from the intersection of Whig Hill Road approximately .9 mile to the intersection of Ledgewood Drive.
- d. Hickory Way in its entirety approximately .15 of a mile.

The Selectmen recommend this article. (Estimated tax impact \$.47)

Selectman Steve Leighton made a motion to amend the article and seconded. Steve Leighton addressed the amendment. The article is being amended to reduce the capital improvements to roads by \$60,000., which will offset the anticipated increase to article #15, for increased road

rate.

“To see if the Town will vote to raise and appropriate the sum of \$171,000 for capital improvements to the following roads including drainage, gravel and paving:

- a. Second Crown Point Road from the intersection of the Cross Road (North) approximately 1.1 mile to the end of existing pavement.
- c. Sunny Oaks Terrace from the intersection of Whig Hill Road approximately .9 mile to the intersection of Ledgewood Drive.
- d. Hickory Way in its entirety approximately .15 of a mile.”

Moderator Lord read the article as amended. Vote taken and carried.

No discussion on article 4 as amended. Moderator Lord re-read the article as amended.

Vote taken and carried.

5. To see if the Town will vote to raise and appropriate the sum of \$7,000. to be placed in the non-capital reserve fund created in 2004 for the purpose of funding any future bridge repairs/construction. The Selectmen recommend this article. (Estimated tax impact \$.01)

Moderator Lord read the article. Motion made and seconded.

Selectman Steve Leighton addressed the article.

No discussion. The Moderator re-read the article. Vote taken and carried.

6. To see if the Town will vote to raise and appropriate the sum of \$433,430. for the operation and maintenance of the Police Department. The Selectmen recommend this article. (Net estimated tax impact after grant and revenues \$.86)

Moderator Lord read the article. Motion made and seconded.

Chief of Police Scott Young addressed the article.

Susan Morgan made a motion to amend the article and was seconded.

The selectman addressed the amendment. After brief discussion the amendment was clarified. “That the medical and dental benefits offered be commensurate with those received by school employees who contribute premium and service co-payments.”

Motion on the clarified amendment made and seconded.

The moderator re-read the amendment.

Town Administrator Ellen White and the Selectmen addressed the amendment. After brief discussion the Moderator re-read the amendment. Vote taken on the amendment and failed.

Moderator Lord re-read the article as originally written. Vote taken on the original article and carried.

7. To see if the Town will vote to establish a Capital Reserve Fund pursuant to RSA 35:1 for the future purchase of police vehicles and associated equipment and to raise and appropriate the sum of \$20,000. to be placed in this fund. The Selectmen recommend this article. (Estimated tax impact \$.04)

Moderator Lord read the article. Scott Young addressed the article.

Gerry Waldron proposed an amendment that any new police vehicles be “hybrid” vehicles.

Scott Young addressed the proposed amendment. After discussion no further action was taken.

After continued brief discussion Moderator Lord re-read the article as originally written.
Vote taken and carried.

8. To see if the Town will vote to raise and appropriate the sum of \$209,740. for the operation and maintenance of the Strafford Fire Department and Rescue Squad. The Selectmen recommend this article. (Estimated tax impact \$.43)

Moderator Lord read the article. Motion made and seconded.
No discussion. Moderator Lord re-read the article. Vote taken and carried.

9. To see if the Town will vote to re-allocate the distribution of revenues received for ambulance services, so that only 50% goes to the special revenue fund known as the Rescue Vehicle and Equipment Fund, with the remaining 50% to be placed in the revolving fund to be created for the purpose of ambulance services by Article 10. The Selectmen recommend this article.

Moderator Lord read the article. Motion made and seconded.
After brief discussion the Moderator re-read the article. Vote taken and carried.

10. To see if the Town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of ambulance services. 50% of all revenues received for ambulance services will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the Town's general fund unreserved fund balance. The Town Treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. This article is contingent on Article 9 passing. Selectmen recommend this article.

Moderator Lord read the article. Motion made and seconded.
Selectman Steve Leighton addressed the article.
After brief discussion Moderator Lord re-read the article. Vote taken and carried.

11. To see if the Town will vote to raise and appropriate the sum of \$80,000. to be used for the second year's payment on the five year lease agreement for the purpose of leasing to own a new pumper/tanker as voted by Article 15, at the 2007 Town Meeting. This lease agreement contains an escape clause. The Selectmen recommend this article. (Estimated tax impact \$.16)

Moderator Lord read the article. Motion made and seconded.
After brief discussion the Moderator re-read the article. Vote taken and carried.

12. To see if the Town will vote to raise and appropriate the sum of \$4,700. for the purchase of forest fire fighting equipment and personal protective gear. \$2,000. to come from a shared grant from the State of New Hampshire, with the remainder of \$2,700. to come from general taxation. This article is contingent upon receipt of the State portion of the grant. The Selectmen recommend this article. (Estimated tax impact \$.006)

Moderator Lord read the article. Motion made and seconded.
Fire Chief Loren Pierce addressed the article.
No discussion. Moderator Lord re-read the article. Vote taken and carried.

13. To see if the Town will vote to raise and appropriate the sum of \$44,190. for the purchase of fire fighting equipment. \$41,981. to come from a Federal Fire Act grant, with the remainder of \$2,209. to come from general taxation. This article is contingent upon the receipt of the grant.

The Selectmen recommend this article. (Estimated tax impact \$.005)

Moderator Lord read the article. Motion made and seconded.

Fire Chief Loren Pierce addressed the article.

No discussion. Moderator Lord re-read the article. Vote taken and failed.

14. To see if the Town will vote to raise and appropriate \$20,000. to be placed in the capital reserve fund established by Article 8 in 2007 pursuant to RSA 35:1, for the purpose of repairs and/or replacement of the Town owned dock located on Water Street. The Selectmen recommend this article. (Estimated tax impact \$.04)

Moderator Lord read the article. Motion made and seconded.

Selectman Steve Leighton addressed the article.

After lengthy discussion Moderator Lord re-read the question. Vote taken and carried.

15. To see if the Town will vote to raise and appropriate the sum of \$1,144,148. for general Town operations.

(Estimated tax impact after local revenues \$.59)

(All estimated tax impact figures applied to money articles do not reflect further adjustments for shared revenues from State of NH, surplus and war service credits; total adjustments are estimated to reduce the total tax rate impact by an additional \$.91)

Moderator Lord read the article. Motion made and seconded.
Selectman Steve Leighton made a motion to amend the article and was seconded.
"To see if the Town will vote to raise and appropriate the sum of \$1,204,148. for general Town operations.

The intent is to increase the line for General Highway Expenses and Town Maintenance by \$60,000. from 297,500. to \$357,500. No other line item changes are proposed.

(The intent of this article is to raise the sum of \$1,204,148. exclusive of all other articles addressed.) The Selectmen recommend this article. (Estimated Tax impact after local revenues \$.71)."

After brief discussion Moderator Lord re-read the amendment. Vote taken to amend and carried.

After brief discussion on the amended article Moderator Lord re-read the article as amended.
Vote taken and carried.

16. To hear the report on Article 23 voted at the 2007 Town Meeting on the feasibility of implementing a "pay as you throw" program at the Transfer Station/Recycling Center.

Moderator Lord read the article. Motion made and seconded.
Steve Leighton addressed the article.

After brief discussion Dennis Vachon made a motion to amend the article and was seconded.
"To see if the Town is in favor of implementing a "pay as you throw" program at the Transfer

Station/Recycling Center. If approved, the selectmen will return with a report to the 2009 Town Meeting on the feasibility and costs associated with this process and an article requesting authorization and funding if appropriate."

Moderator Lord read the amendment. Vote taken to amend and carried.
No discussion. Moderator Lord re-read the amended article. Vote taken and carried.

17. To see if the Town will vote to discontinue the use of Snackerty Road (a.k.a. Church Road) as a public way pursuant to RSA 231:43.

Moderator Lord read the article. Motion made and seconded.
Selectman Steve Leighton made a motion to table the article.
After brief discussion the motion to table was seconded. Vote taken to table and carried.

18. "To see if the Town will vote to re-allocate the land use change tax distribution so that only 50% goes to the conservation fund and the remaining 50% is returned to the general fund." (by petition.)

Moderator Lord read the article. Motion made and seconded.
Judy Whitcher, Harmony Anderson and Phil Auger addressed the article.
After lengthy discussion a petition for secret ballot was presented. Moderator Lord read the 5 names on the petition to confirm the presence of the individuals. Moderator Lord opened the poles giving all at the meeting time to vote. The results of the ballot vote:

YES 42

NO 106

Article 18 failed.

19. To see if the Town will vote to form a committee to study the need to re-open the following Class VI roads for fire and safety purposes; Old Whig Hill Road, Scribner/Cross Road and Barn Door Gap Road. This committee to be comprised of one Selectman, one Planning Board member, one Conservation Commission member, one representative from the Police Department, one representative from the Fire and Rescue Department, and one representative each, from the Crown Point, Center Strafford, Bow Lake and Barn Door Gap sections of Town.

Moderator Lord read the article. Motion made and seconded.
Selectman Steve Leighton addressed the article.

Vera Boals made a motion to amend the article and was seconded.
"To see if the Town will vote to form a committee to study the needs to re-open the following Class VI roads for fire and safety purposes: Webber Road, Old Whig Hill Road, Scribner/Cross Road, and Barn Door Gap Road."

After brief discussion the Moderator read the amendment. Vera Boals addressed the amendment. The Moderator re-read the amendment. Vote taken to amend and carried.

Bruce Patrick then made a motion to amend the article and was seconded.
"That Huckins Road and Old Ridge Road be added to Warrant Article #19."

After brief discussion the Moderator read the amendment. Vote taken on the amendment and carried.

After lengthy discussion the Moderator re-read the amended article. Vote taken on the article as amended and failed.

20. To transact any other business that may legally come before this meeting.

Steven Leighton recognized departing Selectman JoAnn Brown for her many years of service to the Town.

Moderator Lord made a motion to adjourn the meeting and seconded at 12:35 pm.

Given under my hand and seal, this 22nd day of March, in the year of our Lord Two Thousand and Eight.

Respectfully Submitted,

Diane Waldron

STRAFFORD RECYCLING CENTER & TRANSFER STATION ANNUAL REPORT

Our recycling center and transfer station is working very well. People have been wonderful and cooperative. We have a dedicated group of workers that are taking care of the facility for us, and we could not have made the progress that we have made without their help. Again this year the total tonnage of waste has declined, while our recycling volumes continue to increase. 2008 also marked the final year of payments on the revolving loan we received for the landfill closure project. We will continue to fund hydrogeological monitoring of the transfer station area, as required, in order to test for any evidence of problems.

Our most important message to the Town as we enter 2009 is "Don't give up on recycling!" Every ounce of waste that is processed through our various recycling bins, saves the Town money. Hauling fees for recycled materials are always less than the costs associated with tipping fees for the trash compactor. Though you may have heard that the prices for recycled materials are down from the highs of the past year or two, recycling still generates revenue. We ask that people continue to work with the transfer station attendants, and always ask before you throw. For example, we have recently received less than optimal prices for our aluminum cans because other aluminum materials (foil, pans, etc.) mixed with the cans must be removed and therefore reduces the value of our load. From now on, cans only please! If we all work together, we can make the most of our recycling program, even in these challenging times.

As we reflect back on the year, we want to thank our people at the Transfer Center, and we want to thank you, the public, for your cooperation and patience. Remember that we are open three days per week—Wednesday, Saturday and Sunday. We urge townspeople to take advantage of our Wednesday evening hours, when there may be less traffic at the facility than during the weekend hours. It is also very important that everyone follow the rules for proper distribution of articles at the facility, as our reduced costs depend on it.

If you run a business, please make arrangements for commercial trash disposal. The Transfer Center is for residential trash disposal only. If you have any questions, the attendants will be glad to help.

A Recycling "Co-operative":
Working Together to Make Recycling Strong!!!

Northeast Resource Recovery Association, 2101 Dover Road, Epsom, NH 03234
Telephone: (603) 736-4401 Fax: (603) 736-4402
E-mail: info@nrna.net Web Site: www.nrra.net

Town of Strafford

Congratulations for being such active recyclers!

Below please find information on the positive impact this recycling has had on your environment.

The recyclable materials listed below were sent to market to be remanufactured into new products through your non-profit recycling cooperative, the Northeast Resource Recovery Association.

Recyclable Material	Amount Recycled In 2008	Environmental Impact! Here is <u>only one</u> benefit of using this recycled material rather than natural resources (raw materials) to manufacture new products.
Aluminum Cans	25,515 lbs.	Conserved enough energy to run a television for 2,596,406 hours!
Scrap Metal	77 tons	Conserved 76,752 pounds of coal!

ROAD AGENT'S REPORT

It has been an eventful year. The year 2008 began and ended with a lot of snow storms. Then on August 15th, the State of New Hampshire closed the Bow Lake Northwood Road bridge. With help from the state and H. E. B. Engineers, work began and we were able to have the bridge opened within eight weeks. We want to thank anyone who helped in any way at this time. We realize it was hard for residents in that area, but the repairs were a safety necessity.

Paving was completed on three sections of road: Hickory way, Sunny Oaks Terrace, and Second Crown Point Road. Also ditch work, grading and gravel, patching, and brush cutting was completed in most areas.

Everyone will remember the December of '08 snow and ice storm, with trees down and power outages all over Town. Thank you for your patience.

Respectfully,
Greg Messenger
Road Agent

PLEASE NOTE THE FOLLOWING REGULATONS

87R4. WINTER PARKING--Pursuant to RSA 265: 70, the following parking regulation will be established:

a. There will be no parking on all town roads so as to impede snow removal.

Any violations of the above will be subject to a fine of \$ 5.00 per violation and subject to towing, pursuant to RSA 265: 69 and RSA 265: 70.

87R5. SNOW OBSTRUCTION--Pursuant to RSA 249: 23, the following snow obstruction regulations will be established:

a. Any person who shall put or place or cause to be put or placed any snow or ice upon the surface of the traveled portion of any town maintained road for any purpose, except to provide a place necessary for crossing, recrossing, and traveling upon said roads by sleds, logging or farm equipment shall be guilty of a violation if a natural person or guilty of a misdemeanor if any other person. The provisions of this section shall not apply where snow or ice is pushed across the traveled surface of said road for the purpose of snow removal from land adjoining said roads.

Any violation of the above will be subjected to a fine up to \$ 100.00, pursuant to RSA 249: 23.

EMERGENCY MANAGEMENT ANNUAL REPORT

After the Mother's Day Flood in 2007 and the Ice Storm of 2008, we learned that there were some deficiencies in the town's Emergency Management Department. Emergency Management did not have the basic equipment to deal with road closures other than what the Road Agent was able to supply. From the 2008 budget, I was able to purchase a few road signs and barricades.

In 2009, I look to improve our emergency response through the addition of some basic equipment. First, I have designated the Police Department as the Emergency Operations Center (EOC). From the EOC, the Fire Chief, ranking Police official, Emergency Management Director and the Road Agent along with a Town official such as a member of the Board of Selectmen will have a base of operations. During the ice storm, we were without power or phones for several days. I am requesting a 10,000-watt generator that will power the building in such emergencies and provide a small shelter for those who need it.

I am also asking for a small, enclosed trailer that will be used as a multi-purpose vehicle to store our equipment and be used as a mobile command center. The equipment and trailer will be available for use by the emergency management department, the fire department and the police department, in times of an emergency.

During the ice storm we also learned that we could not depend on the American Red Cross to supply us with the basic essentials we needed to open our emergency shelter, as they were overtaxed by the larger communities. I have recommended to the Board of Selectmen that we purchase a few basic supplies for a shelter, i.e. cots, blankets and MRE's.

While I understand that the Board of Selectmen was looking toward level funding for 2009, it was obvious to emergency services that we lacked the basic equipment to adequately serve the residents of Strafford. We look forward to your support of these initiatives.

Respectfully,

Scott Young

Emergency Management Director

STRAFFORD FIRE AND RESCUE ANNUAL REPORT

2008 was a year full of changes for the Strafford Fire Department. I took over as Chief on September 1st when Loren Pierce stepped down after 10 years as Chief and numerous years of service. Loren still remains an active member of the department. In addition, Glenn Pierce resigned from being the Forest Fire Warden in January and as Captain of the Center Station at the end of the year. Glenn remains on the department as well. The department and I thank both of them for their many years of service in those positions.

The past year was one of our busiest with 280 calls for service. This was helped along by the summer tornado that seriously damaged neighboring towns and was followed by the December ice storm that caused damage all over Strafford. With the help of the ice storm, December, 2008, was our busiest month ever, with 59 calls, even with the Mother's Day flooding in 2006 and the April flooding in 2007.

I would like to thank the townspeople and businesses for their support this past year. It is always appreciated.

The 2008 Budget was overspent by \$1000.00. Even though we cut back on many things in the budget, high fuel and heating prices, along with necessary maintenance on both department vehicles and buildings, took its toll. The ice storm in December pushed the year-end total costs over budgeted allowances and dealt the final blow.

In closing, I would like to thank all department members for all of their hours of work and support this past year. I know we would not have been able to continue on with our mission of "Neighbor Helping Neighbors" without them.

Chief Paul Stover
Strafford Fire and Rescue

STRAFFORD FOREST FIRE WARDEN ANNUAL REPORT

My first year as Warden has come and gone. I would like to thank all members of the Strafford community for their encouragement, suggestions and concerns. I would also like to thank them for their patience. There were a few changes made, including when and where brush fire permits are issued. After doing this for about a year, I feel that it has worked well, and am going to continue to issue permits the same way. At this time, everything else will remain the same (days of the week and times). If you would like to schedule a time to renew your seasonal permit, please feel free to call me at 664-9645.

Sincerely,
Matt Lobdell
Forest Fire Warden
Strafford, NH

STRAFFORD POLICE DEPARTMENT ANNUAL REPORT

The Police Department 2009 budget is level funded from 2008. While we have shifted money around within the line items, the bottom line has not changed. The department will be able to provide the same level service as years past, providing the economy does not get any worse than it is now. My main concern moving into the next year is fuel prices, as last year's budget took a hit when gasoline was \$4.00/gallon.

This year I am asking for a new 4-wheel drive vehicle. The current 4X4 is a 1998 Jeep and has a host of problems that will cost thousands to repair. The three Chevy Impala's will each have well over 100 thousand miles by the end of this year, with one out of service as of this writing due to transmission problems. We also have two part time officer positions that were not filled since last year. We hope to get some qualified people to fill those ranks sometime this spring.

It is our privilege to serve the Town of Strafford and its residents. It is our goal to render efficient and professional service to the community. We encourage community participation, so please contact us with any questions or concerns you may have in order that we may better serve you.

Respectfully,

Scott Young
Chief of Police

Stratford Conservation Commission

2008 Annual Report

The Town of Stratford made significant progress toward the town's Master Plan goals of preserving rural character and protecting natural resources in 2008. New conservation easements on public lands were finalized, protecting as open space long sections of the Isinglass watershed, 350 acres of forest land, and another 290 acres of the Stratford School District land. All of these parcels are open to the public. Two conservation easements on private lands brought the total of land newly protected in 2008 to 868 acres. The Conservation Commission has reported monthly as this project unfolded in its column "Conservation Notes" in the *Stratford Community Calendar*. This large community-wide conservation project succeeded through collaboration with the national Trust for Public Land (TPL), our regional land trust partner, Bear-Paw Regional Greenways, and Stratford boards and Conservation Commission. The TPL had secured the promise of a federal grant for \$1.3 million toward purchase from the developer the 267-acre Pig Lane Property along the Isinglass River that had plot plans for as many as 70 houses. The grant was only available if Stratford could provide at least 10% of the \$1.5 million purchase price and new conservation easements with a value of extinguished development rights to match the grant dollars. Additional dollars had to be found to meet the final purchase price. It was a daunting task, but the match and dollars were found.

- The Stratford conservation fund contributed \$150,000
- Carolyn and Clay Bedford of Barrington gave 80 acres of land across from the Recycling Center to the town to be conserved
- The Stratford School Board supported and Stratford voters at the School District agreed to conserve 290 acres of the property along the Mohawk River, reserving 75 acres for future school use.
- Ed Connoyer donated a conservation easement on 55 acres of his property that runs from Parker Mountain Road down across Huckins Mill Pond Brook.
- The family of Randall Cooper and Candace Walworth donated a conservation easement on 158 acres of their lands along a long section of Province Road and Wild Goose Pond Road and Buzzy Run
- Bear Paw secured additional grants and individuals made dollar contributions.

On August 1st at the Historical Society's Austin Hall, representatives from all concerned gathered for the signing of the four donated conservation easements and the fifth one, the newly purchased Isinglass River Conservation Reserve. The Conservation Commission thanks the many who made this historic project possible: Ed Connoyer, Randy Cooper and Candace Walworth for their generous donations of conservation easements on their private lands, Carolyn and Clay Bedford for their outright gift of land to Stratford, Greg Caporossi of the Trust for Public Land and his colleagues there for the grant dollars, the Stratford School Board members and Stratford voters for their support of the project, Dan Kern of Bear-Paw secured grants toward the purchase price and transaction costs of the easements, and Stratford voters who established and support the conservation fund without which we could not have been eligible for the federal dollars or could not have supported the transaction costs of setting up the conservation easements. The Conservation Commission is especially thankful to Phil Auger. This project would not have been possible without the hundreds of hours Phil, as a Bear-Paw board member and a Stratford volunteer, devoted to in many meetings with town boards, landowners, and TPL.

The conservation of 868 new acres in town ought to be enough excitement for one year, but there was also plenty going on at our Parker Mountain area Town Forest. Town forester Charlie Moreno prepared a careful forest management plan for the conservation commission back in 2005, and part of the management included special care

of the rare and endangered small whorled pogonia growing there. Charlie secured a federal Wildlife Habitat Improvement Program grant for our operations on the Strafford Town Forest lands that will allow us to document and monitor the pogonia populations on the Strafford Town Forest lands as part of a statewide research project coordinated by the Natural Heritage Bureau. Not only were the pogonia carefully plotted in 2008, but the weather turned more favorable to logging and all Strafford loggers were offered the opportunity to bid on the limited forest stewardship operation. Ed Cutter won the bid and has been at work in the forest since late summer. The goals of the operation are wildlife habitat enhancement, timber stand improvement, and improved access for recreation and fire safety. In November, cooperative Extension Strafford County Forestry Educator Deb Goard and Phil Auger worked in the forest laying out and preparing the specifications for a trail system for the Edgerly and Weidman lots. That work should begin in summer of 2009.

Last but not least, the Conservation Commission would again like to thank those who help us maintain the Town Forest and our hiking trails, including Brian Dahlgren, George Kitz, and the Strafford Boy Scouts Troop 23. Your service to our community is deeply appreciated.

Respectfully submitted,

Harmony Anderson, Jack Bronnenberg, Elizabeth Evans, Carolyn Page, David Perkins, Al Pratt, Cal Schroeder, and alternate members Bruce Smith and JoAnn Brown.

**Strafford Energy Committee
Annual Report**

Chair

Bill Vance

Members

Ken Berry

Jean Chartrand-Ewen

Jim Forsythe

Dan Phelan

Carol Reynolds

The Strafford Energy Committee attended various meeting in Town and at the State House regarding energy issues within the community. The following is a list of those issues:

- Promoted the installation of energy efficient features during construction, renovation, and/or repair of the school and other public buildings, including but not limited to state of the art heating and cooling equipment
- Requested consideration of bio-fuel for the present elementary school to minimize CO₂ emissions and limit the maintenance needs (cleaner burn)
- Requested insulation around the duct work in the boiler room at Elementary School to improve heating efficiency
- Requested the installation of 2 “No Idling Signs” be posted at the Elementary School (installed)
- Set up booth at Town Meeting and National Election Day to promote energy awareness and recruit new members

The Membership would like to encourage new ideas from Strafford’s abundant resources to mitigate climate change, reduce fossil fuel usage, and encourage a sustainable community.

Hill Library had another busy year highlighted by visits from Strafford School, home school families, summer reading, and well-attended story hours. Evenings saw meetings of sewing and weaving participants, Energy Group, poetry nights and movie showings. Visiting policemen and guardsmen used the library. People used the computers in search of employment. We lost a week to the ice storm.

Total circulation was less than last year's but attendance was greater. Fewer magazine circulated but borrowing of audio and video materials increased. More men use the library than in past years. Adults borrowed less fiction and more non-fiction. These trends and others will keep our attention in 2009.

TRUSTEES 2008 HILL LIBRARY REPORT

The Strafford Hill Library's mission statement is "to grow and develop with the community to meet the people's cultural, educational, recreational, and informational needs." The staff and volunteers at the Hill Library work hard to keep our library up to date and user friendly. We have added many new materials; books, CDs, Videos, and DVDs. We have updated and upgraded the computers. And we work hard to keep ourselves up to date so we can all help you find whatever it is you are looking for at the Hill Library.

In addition to regular hours when people can do research, sit and read a book, check email and work on a computer, or check out whatever material they want, the library is open for various other activities. Some available programs are:

- Family Movies twice monthly on Saturday nights
- Local "bug experts" to help fifth graders identify bugs for their projects
- Fiber Arts group meets weekly
- Story Time twice monthly for preschoolers
- Summer Reading Program for youngsters during school vacation
- Mr. and Mrs. Berry give tours and read stories to school groups at the beginning of the school year
- Book Club meets to discuss a selection once each month
- Model Airplanes night once each month
- Scrabble/ Game night once each month
- Annual CPR course available to the community
- The Cilley Room serves as a regular meeting place for several community groups

Some other programs that have been done during the year are:

- Poetry readings with local talent reading their own works
- Comedy night with local talent
- Song night with local musicians
- Summer patron appreciation party
- Reception to honor Charles Simic, U S Poet Lauriat
- Financial planner available to discuss current financial issues
- Candidates prior to elections
- New Hampshire Humanities Council programs

We thank all of the volunteers in the Strafford Library Association who work diligently to keep the building and grounds in spectacular condition.

Finally, we would like to thank all the many volunteers who put in hours of work to keep the library running and all the contributors who donate books, movies, and money. Without you, our costs would be exorbitant. Thank you.

Respectfully submitted,

Nancy Baxter, David Bengner, and Martha English, Trustees

Charles Burnham, Indra Edmonds, and Pam Marks, Alternate Trustees

PLANNING BOARD REPORT 2008

Although subdivision activity slowed along with the real estate market in 2008, we continue to see a number of small subdivisions with people creating new lots for family members, so the Board remains active. The Board is also trying to take advantage of our lighter schedule to take the time to continue our review of zoning and subdivision regulations so that Strafford will develop in the ways envisioned in our Master Plan. Board members continue to attend training sessions to explore new ideas for balancing growth with natural resource protection.

Our continuing thanks to the three volunteer citizen committees, first formed under the NROC program (Natural Resources Outreach Coalition through UNH Cooperative Extension) that continue to meet and work with the Planning Board and Conservation Commission. The Managed Growth Group continues to meet to help the Boards by reviewing and evaluating both our current ordinances and a number of innovative growth management tools available to communities. Water Quality Group volunteers continue to contribute to the UNH water quality study monitoring tributaries entering Bow Lake. The Land Preservation Committee continues to work closely with the Conservation Commission and Bear-Paw Regional Greenways to promote conservation easements and other land preservation projects.

Respectfully submitted,
Charles A. Moreno, Chairman

STRAFFORD RECREATION COMMISSION REPORT

The Red Cross swim program at the Bow Lake beach continues to be popular, especially for beginning swimmers. We had two sessions during the summer, one in July and one in August. The majority of our swimmers were very attentive, put effort into learning the skills, and passed their levels. We look forward to seeing them again next season.

We once again had good coverage at the Bow Lake beach during daytime hours. Our lifeguards are on duty from 10 A.M. until 4: 30 P.M. daily during the summer season. Salaries for this summer amounted to \$ 11,669. Other expenses such as equipment, Red Cross swim program administrative fees, water testing, general maintenance, and the summer arts program increased the total summer expenses by \$ 2648.44. Income from swim lessons was \$860. Beach pass income was \$245.

Respectfully submitted,

Ted White, WSI

ROCHESTER DISTRICT VNA
ANNUAL REPORT for 2008

Rochester District VNA (Your VNA) continues to serve as your home health agency providing skilled nursing, rehabilitative therapies, medical social work, licensed nursing assistance and supportive services on an intermittent basis throughout your community. We are proud to provide you with highly skilled and well trained clinicians.

Home health care continues to incur reductions in Medicare reimbursement with additional reductions threatened for the next three years. Skilled service provided under Medicaid is reimbursed by the state at less than half the cost to provide it. The numbers of uninsured individuals increase each year. Your funding of these services is crucial to people in need of skilled nursing and therapy care. Adequate funding for home care is critical to keeping patients in their home, the most cost-effective place to receive care.

The acuity of our patients is constantly increasing. Many patients need IV therapy, chemo therapy, enteral feedings, therapy after knee/hip replacements and complicated wound dressings. Patients are discharged very quickly from hospitals and require the skilled services provided by our trained nurses and therapists. Many hospital admissions are avoided by a referral directly to home care from the physician.

We continue to provide support services including: homemakers, personal care attendants and in-home companions paid by Title XX and Strafford County funding as well as by the patient. These services allow individuals requiring minimal support to remain safely in their homes at the lowest possible cost. We opened our Adult Day Center one year ago, which benefits many families by providing a safe, family atmosphere for loved ones no longer able to be at home alone.

We continue to improve our utilization of electronic charts resulting in the following: improved clinical efficiency and accuracy of documentation, flow of data to appropriate disciplines at the time most needed, ease of viewing historical data, improved coordination of care, decreased man hours with less manual paper processes and a reduction in errors. We have reduced office staff by relying more on technology. This saves dollars and improves access and accuracy. Telehealth use continues to increase. The results of daily monitoring of our most seriously ill patients have prevented additional visits to the emergency room through early interventions.

Our biggest and most critical challenge is being dependent on the government for 85% of our revenue. We set charges for services, but are dependent on what the government pays regardless of the cost to provide the care. Therefore, your continued support of Rochester District Visiting Nurse Association (Your VNA) is vitally important to our abilities to meet the many health needs in your community. It is also important when you need home care to ask for us by name. **You have a choice. Ask for Rochester District VNA by name.**

The State of New Hampshire

To the Inhabitants of the School District of the Town of Strafford qualified to vote in district affairs:

You are hereby notified to meet at the Strafford School in said District on the 4th day of March 2009, at 7:00 o'clock in the afternoon to act upon the following subjects:

1. "To see if the Strafford School District will vote to raise and appropriate the amount of one dollar (\$1.00) to accept from the Town of Strafford the former Town Office Building currently located on school district land and to transfer by a real estate deed to the Strafford School District for said mentioned building."
2. " Shall the Strafford School District vote to approve the cost item included in the collective bargaining agreement reached between the Strafford School Board and the Strafford Educational Association – NEA New Hampshire which calls for the following increases in salaries and benefits at the current staffing levels:

<u>Year</u>	<u>Estimate Increases</u>
2009-2010	\$ 144,844
2010-2011	\$ 133,957
2011-2012	\$ 138,318

and further to raise and appropriate the sum of one hundred forty four thousand eight hundred and forty four dollars and no cents (\$144,844) for the upcoming fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year.

The School Board recommends this appropriation.

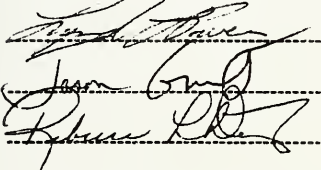

3. "To see if the Strafford School District will vote to raise and appropriate the amount of ten million one hundred forty eight thousand two hundred ninety five dollars and fifty five (\$10,148,295.55) for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the Strafford School District. This article does not include appropriations voted in other warrant articles."
4. Shall the Strafford School District accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt indefinitely, until specific rescission of such authority, the school board to apply for, accept and expend without further action by the Strafford School District, unanticipated money from a state, federal or other governmental unit or private source which becomes available during the fiscal year?

5. "To see if the Strafford School District will raise and appropriate up to Twenty-five thousand dollars (\$25,000) to be placed in the School District Capital Reserve Fund, established in 1985, for the purpose of financing any and all capital improvements to school buildings as well as all or part of the cost of new construction for the Strafford School District in accordance with RSA Chapter 35, with such amount to be funded from the year end undesignated fund balance (surplus) available on July 1, 2009. The balance of this account as of 12/31/08 is two hundred eighty three thousand two hundred forty five dollars and thirty six cents (\$283,245.36).

The School Board recommends this article.

6. "To direct the School Board of the School District of Strafford to cap any increase of their Annual Budget to any projected increase in revenue above the last Annual Budget and in no case to increase the Annual Budget more than the rate of inflation, as defined by the "National Consumer Price Index-(Urban/Rural)-(Urban/Rural)" (CPI-U/R) as averaged over the twelve months preceding the vote of the new Annual Budget."
7. To choose agents and committees in relation to any subject embraced in this warrant.
8. To transact any other business this may be legally come before this meeting.

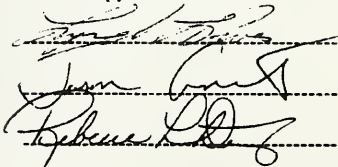

Given under our hands at said Strafford this 11th Day of February 2009.

------------------------------	--	--	------------------------------------	---	---	--

Notes: This line reflects tuition to Strafford's High School of record, Coe Brown Northwood Academy. Coe Brown's Board of Trustees set the tuition rate annually between December and January. The rate increase for next year is 2.46% for regular education and a 8.51 % increase for special education. Strafford is currently in year 1 of a 5 year contract with Coe Brown.

TUITION RATES FOR:
09-10
Coe-Brown Northwood Academy \$12,152.00
Special Education Skills Program: \$18,908.00
Projected Enrollment for 2009 - 2010
Gr. 9 Gr. 10 Gr. 11 Gr. 12 Total Total Tuition
66 67 68 63 264
Plus Extra 5 students 269 \$3,268,888.00

01-1100-5564-000 Tuition Private and Other Schools

01-1100-5610-002 Art Supplies:

Notes: The supplies in this line support the art education program for students in grades K-8 & other art related activities & participation in regional student art exhibitions. The art program provides students the opportunity to explore many art mediums & is often integrated into the regular classroom curriculum to enhance project work & research. The art program is built around standards for art education developed by the State of N.H. A major goal of the program is to develop cultural awareness and help students gain valuable information about the world around them through their experiences in art. The art program provides students the knowledge and skill they can use to enrich their lives. The following is a basic list of materials purchased to support art programming at Strafford School. The list varies slightly year to year based on usage and available inventory.

Holographic Paper Metallic Paints Carpet Wrap Pottery Plaster
Stamp Inkers Knife Blades Safety Compass Watercolor Paints
Pastels Drawing Markers Kraft Bags Colored Pencils
Stain Remover Crystal Color Wheel Mixing Medium Twine Block
Priming Ink Glaze (assorted) Markers Aluminum Rulers
Linoleum Cutters Glue Sticks Art Tissue Paint Brushes
Plaster of Paris Wire Kraft Kit Foli Paper Artist Economy
Knives Slab Wax Low Fire Clay Indian Red Clay
India Ink Wire Nesting Acetate Pads Watercolor Brushes
Duco cement Acrylic Paint Junior Cones Createx Marbling
Assorted Color Art Papers Monographic Paper Fluorescent Crayon
Watercolor Paper Kneaded Rubber Film & Developing
Calligraphic Parchment Nature Print Paper Calligraphy Supplies
This line also supports, in part, an after school open art studio program that is offered to students during the school year and during the summer. The program provides students the opportunity and resources to create using a variety of artistic media.

01-1100-5610-005 Lang Arts-Reading Supplies:

2,785.22 3,000.00 0.00 3,800.00 3,800.00 800.00

Plastic Spoons
Effervescent Tablets
Pyrex Beakers All Sizes
Test Tube Tongs
Autoclave Gloves
Soda Pop Science
Grasshoppers
Owl Pellets
Guide to Microlife
Water Cycle Poster
Seed Assortment Set
Animal Cell Model
Rock/Mineral Test Kit
Rubber Stoppers

01-1100-5610-014 Science Supplies

Notes: The Science and Technology for Children Program is a comprehensive inquiry-based curriculum that brings science and technology into students' everyday world. Using unit's rich w/ content, students investigate scientific concepts and phenomena firsthand, record & reflect on their observations, share their findings w/ classmates, & apply the skills and knowledge they have gained in new situations. STC is used in thousands of districts throughout the country & has been adopted in Strafford for grades 1 & 2. In grades 3 & 4 two units are used & are combined w/ the McGraw Hill Science Program. STC science is kit based & requires the purchase of consumable materials & refill packets annually.
Weather Refurbishment Kit
Organisma Refurbishment Kit
Monarch Life Cycle Refurbishment Kits
Life Cycle of a Butterfly Poster
Mystery Powders Classroom Kit

J1-1100-5610-015 Social Studies Supplies:						
Notes: This line supports the school's social studies program at all levels including instructional resources and student materials. It also supports the seventh grade involvement in the EXCHANGE CITY program in Portsmouth, N.H. Exchange City is a hands-on learning program that combines an eight-week classroom curriculum with a site of the art interactive government and free enterprise laboratory located in Portsmouth. The Exchange City experience helps students learn and apply rigorous academic standards in math, civics, social studies, language arts and technology in real-life roles as citizens of their very own mini-town. This is Strafford's third year of participation in the program.	1,157.80	3,500.00	0.00	3,500.00	3,500.00	0.00

2,342.31						
01-1100-5610-122 Instrumental Music & Choral Supplies:				1,800.00	1,800.00	0.00
Notes: Strafford School offers instrumental music instruction to interested students in grades 4-8. Enrollment in this program remains high. Beginning, intermediate, and advanced band experiences are offered as well as other specialty groups. Students are given small group and individual lessons before, during, and after school hours. Students perform for parents and the community several times during the school year. They also participate in regional music competitions and programs. This fall another 38 students signed up for instrumental lessons and band. It should be noted that instrumental music lessons and group practice all take place in a wooden modular with no provisions to accommodate a music program. The work of the teacher, given these conditions, is commendable.						
This line supports the purchase of periodical, books, practice books, general supplies, incentives, reads, instrument parts, instrument repairs, competition registrations, etc. Both the classroom and instrumental music program have expanded their use of technology to support classroom instruction, music composition, recording & editing, and performance support.						
Band Music

<p>Notes: This line represents the purchase of supplemental books both hardcover and paperback to support all core subject areas.</p> <p>Trade Books To Support All Curriculum Areas - All levels</p> <p>Additional Classroom Libraries to Support the Schools Reading Program</p> <p>Supplementary books are a critical component of our current reading program. They are used for small group instruction at the child's reading level. Current research supports the need for 80% of a child's reading to be at an independent level. That research also suggests that every child needs access to a quantity of books at their reading level. The purchases in this line will continue to update and add to the Scholastic trade book libraries in each classroom. Funds will also support the purchase of classroom sets of fiction and non-fiction literature for use in middle school language arts classes as well as classroom libraries associated with TREASURES, the school's core reading program.</p>						
01-1100-5640-004 Classroom Reference Books:	769.10	600.00	0.00	600.00	600.00	0.00

Strafford School District **2009-2010 Budget Draft**

Account Number / Description	2 Yrs Prior Actual 07-08	1 Year Prior Adopted	Payroll	Non-Requests	Budget Total	Budget Difference
	7/1/2007 - 6/30/2008	7/1/2008 - 6/30/2009	7/1/2009 - 6/30/2010	7/1/2009 - 6/30/2010	7/1/2009 - 6/30/2010	7/1/2009 - 6/30/2010

Notes:

There are FIVE (5) special education teachers and one program coordinator who work out of three resource rooms within the school (one at the primary, one at the elementary and one at the middle school level) and two small rooms in the annex modular unit. Our special education teachers administer support to the special needs of children in grades kindergarten through 8 and, in addition to carrying a full teaching load, act as consultants for classroom and special teachers at those grades. Our resource room teachers also work closely with paraprofessionals to direct and monitor implementation of highly specialized programs for children who might otherwise attend self-contained classrooms located outside of Strafford, at increased costs. Our special education coordinator is responsible for supervising all special education services provided in the building ensuring that all State of N.H. and Federal special education protocols, laws, and regulations are followed, timelines are met, programs are delivered efficiently and effectively, and student progress is assessed and analyzed consistently to determine program effectiveness. In addition, this person assists with assessments, provides in house training to staff, serves as a liaison between the district and the SAU Director of Special Education, meets regularly with staff and with parents, reviews and writes curriculum, conducts ongoing program evaluations, and performs a number of other critical special education tasks.

There are currently 80 plus students, at the Strafford School, who have IEPs (individual educational plans). These numbers change frequently as students move in and out. A similar number is projected for the 2009-2010 school year, including youngsters who are already receiving services as preschoolers. Although the overall population of the school has dropped, the number of students who qualify for special education services remains stable.

Special education teachers are responsible for completing all paperwork and administering and interpreting most testing and evaluation required by State of N.H. and Federal law.

It should be noted that 35+ identified special needs students also require the services of Speech and Language Pathologists. (Those services are described later on in this budget in section #2150 Speech Services.)

Special Ed. Paraprofessional Salaries:

292,363.82 328,175.35 320,632.70

Notes: Eighteen full time and one part time special education paraprofessionals provide instructional assistance to identified special needs students. Each special education paraprofessional is assigned to one of our resource room teachers for direction and supervision. The paraprofessionals divide their time between in-class assistance and co-teaching in the resource room. They assist in meeting the requirements of each child's Individual Educational Plan (IEP). In some cases, paraprofessionals assist in providing an alternative to an out-of-district placement in a self-contained classroom. Some paraprofessionals are assigned to specific children with severe disabilities, allowing those children to be included in the public school program.

Special Education Secretary:

21,232.08 20,140.00 20,744.20

Notes:

This position provides clerical support to the special education department including, but not limited to: maintenance of student files; preparation of local, state, and federal SPED paperwork; scheduling; and data input and management. Other responsibilities include communication with administration, the SAU Special Ed. Office, staff, parents, and students. This person also develops and prints various forms, publications, and notifications; coordinates budgets; distributes mail; maintains records and develops required State and Federal reports. This person also coordinates the use of the school's new technology based case management software (Case-6).

Notes: The contracted percentage for Medicaid administration is 10%. The District is anticipating \$90,000.00 in Medicaid revenue, thus the \$9,000.00 admin fee.							
01-1200-5430-000 Repairs and Maintenance:	737.90	250.00	0.00	1,000.00	1,000.00	750.00	750.00
Notes: Repairs to A/V, recording, copying, adaptive, and other equipment used to support special needs students. The significant increase in this line is due to the ongoing repair needs of hearing equipment/devices/systems used by hearing impaired students attending the school. This equipment is complex and fragile and repairs are costly.							

Strafford School District **2009-2010 Budget Draft**

Account Number / Description	2 Yrs Prior Actual 07-08	1 Year Prior Adopted	Payroll	Non-Requests	Budget Total	Budget Difference
01-1200-5550-000 Printing	45.33	500.00	0.00	500.00	500.00	0.00
01-1200-5561-000 Spe Ed Tuition-Other Public Schools:	0.00	10,891.00	0.00	10,000.00	10,000.00	(891.00)
Notes: This line is budgeted in anticipation of possible special ed placements in public schools other than Coe-Brown.						
01-1200-5563-000 Spe Ed Tuition-Coe Brown:	389,890.08	307,429.00	0.00	334,972.00	334,972.00	27,543.00
Notes: Projected 37 students at Coe-Brown receiving Special Education Services: Skills Rate \$18908 (8.51%) less the regular tuition rate of \$12,152.. This amount increases by \$85,000. to include Para-professionals or assistants needed to support the education of high school special needs students.						
01-1200-5569-000 Spe Ed Tuition-Non-Public Schools:	479,178.70	664,835.00	0.00	476,171.14	476,171.14	(188,663.86)
Notes: This line reflects the costs of special education placements outside the regular public school settings. Students eligible for services include students between the ages of 3 through 21. Placements include the SAU # 44 Pre-School Program, as well as out of district private special education schools. This line also includes extended school year programs involved with the students placed in these programs. Out of district placements are difficult to foresee, as the districts are responsible for placing the students in the least restrictive environment. These placements are based on the individual needs of students and are determined through the special education process. Some of these placements include court mandates and are therefore, out of the control of the district's placement team. Individual education plans follow students from district to district. Therefore, if a student arrives in Strafford with an individual education plan, the team at the Strafford School has to uphold that plan. The student's plan and program may involve a more specialized placement, which the district must adhere to. Projected Enrollment: 9 SAU #44 Preschool \$154,854.47 = 1/3 budget 6 SAU #44 Preschool Summer \$ 12,000.00 4 Out of District Placements \$268,142.18 Contracted Speech Services \$24,624.49 Summer Programs \$14,000.00 Contracted Deaf Education \$ 2,550.00						
01-1200-5610-005 Lang Arts-Reading Supplies:	1,158.48	2,500.00	0.00	800.00	800.00	(1,700.00)
Notes: Ongoing assessments in this area have indicated a need for consistent, intense, and scripted programming for students in special education. Several specialized programs are used including LANGUAGE, SRA, the LIPS program and the TRIUMPHS program which is correlated with the newly adopted TREASURES program. This program follows the same themes as TREASURES but at a lower reading lexile. Grade K-4 Triumphs Practice Books and Consumable Materials SRA Spelling Consumable Materials						
01-1200-5610-011 Math Supplies:	82.71	1,800.00	0.00	800.00	800.00	(1,000.00)

01-1430-5110-000 Summer School: Literacy Connection Proj	7,468.68	10,000.00	0.00	10,000.00	10,000.00	0.00
Notes: This program is an integrated language program for 25-30 students entering first, second or third grade. Initially funded by a grant, Strafford School has offered this exciting experience for the past several years during the month of July.						
This language-based program provides each student daily language experiences and literacy opportunities. These experiences include: inquiry activities (first-hand experiences, discussion, problem-solving); shared reading and writing (chart development, test analysis, group reading/reading); independent writing (drawing and writing, personal conference); and independent reading (self-selection, reading and reading like behavior, personal conferences). It also provides opportunities for reading aloud and response (listening and responding to literature, participation during reading); and for sharing (oral presentation during reading). This integrated language model utilizes large group and cooperative learning group format.						
In addition, children are divided for small group instruction utilizing a modified Reading Recovery model. Each daily session includes re-reading of familiar text and introduction and practice with new text, work analysis activities, and writing a story.						
A program library exists consisting of literature consistent with early literacy theory (focus on meaning, facilitation of integration or reading, writing, speaking and listening, use of predictable and natural language). Students bring home books every day to share with their parents. This component of the program is discussed in detail with parents at a parent meeting held prior to the first session. A children's book author visits the program and a final celebration of student work is held for students and parents the final week of the project.						
Two early childhood teachers, an aide, and a speech and language therapist will constitute the staff. This team will provide students with an integrated language arts program designed to facilitate further development of reading, writing, speaking and listening skills. The project will meet four days a week from 8:30 to 11:30 a.m. for a four-week period in July.						
01-1430-5110-001 Summer Tutoring - Middle School	3,600.00	7,500.00	0.00	7,500.00	7,500.00	0.00
Notes: This expenditure pays for staff to provide summer tutoring in small groups in reading and math as recommended. Staff works in small groups several times per week for four weeks to help students maintain and strengthen skill in math and reading. This program was previously funded by a Title IIA grant no longer available to the school.

Notes: The budgeted amount is for one full time and one part time (3days a week) counselor. The Guidance Counselors provide direct individual counseling to students requiring services. They also provide preventative counseling to small groups, work closely with parents, provide consultation to teachers, act as a liaison between the principal and teachers, and provide crisis intervention to all students on an as needed basis. They also assume administrative responsibility, including the responsibility of contributing to many special education meetings, classroom modification meetings, and middle school meetings, etc. Counselors coordinate the Peer Helper Program, 504 intervention, the Here's Looking at You Drug Intervention Program, the Johns Hopkins Talent Search, parent information workshops, and the "Welcome" program for new Stafford School students. They also assist the principal with students having adjustment difficulties.

01-2130-5110-020 Nurse's Salary:	43,437.98	46,067.00	46,067.00	0.00	46,067.00	0.00
Notes: Full-time coverage for all students and employees including daily health care, conducting examinations, maintaining records, preparing reports, conducting a variety of screenings, emergency intervention, health education, budget development and management, policy development, coordination with outside health agencies, communicating with parents, etc.						
01-2130-5110-203 Part time Nurse	15,376.20	17,540.00	0.00	0.00	0.00	(17,540.00)
Notes: The volume of students seen and screened through the health office continues to grow. The emphasis on childhood health issues has brought new regulations and new laws that require intervention by our school health officials. New regulations regarding the maintenance and reporting of school health statistics have also contributed to the increased workload in the health office. These and other responsibilities have been driven in part by the alarming increase in student illnesses and the threat of airborne and insect driven diseases. The part time nurse assists the full time school nurse in carrying out and completing her responsibilities.						
01-2130-5120-000 Substitute Nurse's Salary:	150.00	1,000.00	0.00	1,000.00	1,000.00	0.00
Notes: Responsibilities include, but are not limited to, dispensing medicines, monitoring students with childhood diabetes and other chronic diseases, providing medical intervention for multi-handicapped students requiring assistance such as tube feeding, handling medical emergencies, communicating with parents, providing general first aid, maintaining medical records, etc. These responsibilities are provided daily for a population of adults and children. This represents a significant responsibility for any individual who fills this position. Substitute nurses receive \$100.00 a day for their services.

Notes: (English As An Other Language) The ESOL teacher provides individual services and consults with staff that have ESOL students in their classes. These services are not considered special education but are mandated by law. These services are delivered on a one on one basis and focus on helping students understand and interpret the English language. The number of children requiring this service varies from year to year						
01-2140-5310-006 Contracted Serv - Hearing/Vision Impaired	4,740.89	6,000.00	0.00	6,000.00	6,000.00	0.00
Notes: This teacher provides weekly services to hearing impaired or deaf students attending Strafford School. Currently consultation is up to 10 hours per week. This position is shared with other District schools in the SAU. This line also represents the costs associated with vision consultation.						
01-2140-5330-000 Pre-School Diagnostic Unit:	0.00	5,000.00	0.00	5,000.00	5,000.00	0.00
Notes: Services provided for Strafford pre-school children referred to the child-fnd for testing. (Children serviced under this program are ages 3 through 5)						
01-2162-5323-000 Contracted Physical Therapy:	10,267.14	21,530.45	0.00	25,264.53	25,264.53	3,734.08
Notes: Physical therapy is the treatment of disease or disability through regulated exercise by physical and mechanical means. Services are contracted through the Strafford Learning Center and are generally provided to students with severe physical disabilities. Services are estimated at \$58.41 per hour for 200 hours.						
01-2163-5323-000 Contracted Occupational Therapy:	37,239.99	37,119.29	0.00	41,832.04	41,832.04	4,712.75
Notes: Occupational therapy is intervention by means of mental or physical activity to promote the recovery or rehabilitation following a serious disease or as a result of injury or delayed development. These services are contracted through the SAU for those students requiring physical therapy training as a part of their IEP (Individualized Education Plan) program. Currently, therapy services are provided 4 days weekly.						
01-2190-5323-000 Strafford Learning Center Membership:	5,437.23	5,318.60	0.00	5,968.20	5,968.20	649.60
Notes: This is the basic membership for that entitles Strafford School to services at a 15% reduction and is based on the number of students in district which varies from year to year.						
TOTAL CONTRACTED SERVICES	\$63,303.46	\$76,968.34	\$0.00	\$86,064.77	\$86,064.77	\$9,096.43

Notes: This line supports staff training and curriculum development and revision initiatives within the school and within SAU #44. A key component of No Child Left Behind and the school improvement process is ongoing staff training. Professional growth activities are offered throughout each school year to staff on teacher workshop days, specialized training days, and before and after school. Strafford School is currently working on curriculum and instruction in math and science in accordance with State of N.H. Curriculum Frameworks and Grade Level Expectations. In addition to the above, the analysis of assessment results to determine student need and to drive instruction is ongoing and is an integral component of the professional development agenda. Staff at all levels is actively involved in this process.

Strafford School District 2009-2010 Budget Draft

Account Number / Description	2 Yrs Prior Actual 07-08	1 Year Prior Adopted 6/30/2009	Payroll 7/1/2009 - 6/30/2010	Non-Requests 7/1/2009 - 6/30/2010	Budget Total 7/1/2009 - 6/30/2010	Budget Difference 7/1/2009 - 6/30/2010
01-2620-5429-000 Laundry & Dry Cleaning:	269.73	300.00	0.00	300.00	300.00	0.00
Notes: This line supports the purchase of materials such as rags, mop heads, filters, and flag dry cleaning, etc.						
01-2620-5430-002 Repairs and Maintenance-Heating Plant:	10,364.18	15,000.00	0.00	15,000.00	15,000.00	0.00
Notes: Gas and oil heating system repairs and maintenance are included in this line. Also included is a maintenance contract with Control Technologies, the company that repairs our aging unit ventilators. As in the past, we hope to replace a couple of unit ventilators this year until all are replaced in the older sections of the building. Upgrades in the middle school section of the building are complete. The contracts in this line ensure that the school district gets priority service when heating problems develop.						
01-2620-5430-003 Repairs and Maintenance:	5,733.06	2,000.00	0.00	2,000.00	2,000.00	0.00
Notes: Gas and oil heating system repairs and maintenance are included in this line. Also included is a maintenance contract with Control Technologies, the company that repairs our aging unit ventilators. As in the past, we hope to replace a couple of unit ventilators this year until all are replaced in the older sections of the building. Upgrades in the middle school section of the building are complete. The contracts in this line ensure that the school district gets priority service when heating problems develop.						
01-2620-5430-004 Repairs and Maintenance-Furniture & Fix:	7,185.92	1,000.00	0.00	1,000.00	1,000.00	0.00
Notes: This line represents repairs to door and window hardware, locks, lockers, and related hardware, as well as furniture and fixtures.						
01-2620-5430-005 Repairs and Maintenance-Grounds	8,393.27	7,500.00	0.00	7,500.00	7,500.00	0.00
Notes: Playground inspection and repair, fuel and oil, sand, paving paint for lining field, ice melt, misc. lawnmower and trimmer parts, parts, garden plants and materials, driveway sealing, sign repair and replacement, fence repair, field work (rock removal, grading, etc.), playground bark mulch (special order), tractor parts and repairs, etc.						
01-2620-5430-006 Repairs and Maintenance-Building:	104,368.83	12,000.00	0.00	12,000.00	12,000.00	0.00
Notes: This line represents interior and exterior painting, baseboard and tile replacement, ceiling tile replacement, water heater and water system repairs, window and door replacement, roof repairs, shade replacement, general repairs, fixture replacement, electrical upgrades, etc.						
01-2620-5430-007 Repairs and Maintenance-Dam	7,073.50	2,500.00	0.00	2,500.00	2,500.00	0.00
Notes: This line represents the cost of maintaining the dam located on land purchased by the school district for future school expansion. It is necessary to keep the dam free from all obstructions created by wildlife or weather conditions to prevent failure. It also includes monitoring the use of the 300 acre parcel on a monthly basis.						
01-2620-5441-000 Lease for Office Modular	23,705.00	0.00	0.00	23,705.00	23,705.00	23,705.00
Notes: This is the third and final payment for the office modular unit located to the right of the main building.

Notes: This line provides for recycling plastic, paper, bottles, glass and cans in totes provided by Waste Management.						
01-2630-5422-000 Snow Removal:	3,216.00	1,500.00	0.00	3,500.00	3,500.00	2,000.00
Notes: This line represents snow plowing and the removal of snow from the roof of the wooden modular units required to avoid structural overloads.						
01-2630-5430-005 Repairs and Maint-Grounds:	6,375.00	0.00	0.00	0.00	0.00	0.00
01-2660-5430-001 Contracted Service-Fire Alarm Service:	3,147.03	1,500.00	0.00	1,800.00	1,800.00	300.00
Notes: This line represents the maintenance of the school's fire alarm system, including parts replacement, inspection, automatic dialer contract, emergency maintenance, as well as extinguisher recharging. This line also covers the cost of replacing signaling devices and pull stations as necessary.						
01-2660-5430-002 Contracted Service-MasterClock & Interco	784.85	500.00	0.00	500.00	500.00	0.00
Notes: This line represents repairs to the school's Intercom system.						
01-2660-5430-003 Security System	0.00	800.00	0.00	800.00	800.00	0.00
Notes: This line is new and represents anticipated maintenance and monitoring costs for the school's security system.						
01-2690-5410-000 State Mandated-Water Testing:	5,176.30	5,000.00	0.00	5,000.00	5,000.00	0.00

Stafford School District 2009-2010 Budget Draft

Account Number / Description	2 Yrs Prior Actual 07-08	1 Year Prior Adopted	Payroll	Non-Requests	Budget Total	Budget Difference
Notes: Mandated water system maintenance and water testing performed by Second Wind Environmental of Manchester our water contractor. Water testing includes tests for bacteria, lead & copper, radon, MTB, pesticides, minerals, petroleum products, etc. This line continues to increase as mandates for testing increase. (State Mandated/ E.P.A.)						
01-2690-5411-000 Contracted Service-Septic Tank Maintenance	3,874.73	5,500.00	0.00	5,500.00	5,500.00	0.00
Notes: This line represents the cost of pumping the school's three septic tanks and grease trap. This line also covers a maintenance agreement with a septic pump company and with Roto-Rooter for drain work as needed. Costs continue to increase in this line because of regulations surrounding the dumping of raw sewage and associated costs.						
TOTAL PLANT OPERATIONS	\$582,232.33	\$477,231.90	\$205,086.35	\$295,593.35	\$500,679.70	\$23,447.80
Transportation Services						
01-2721-5519-001 Elementary School Transportation:	195,840.00	202,906.08	0.00	210,501.89	210,501.89	7,595.81
Notes: Contracted amount is based on a per route cost of \$26,312.73. The elementary school has eight runs using eight buses for a total of \$210,501.89.						
01-2721-5519-002 High School Transportation:	73,440.00	76,090.92	0.00	78,938.19	78,938.19	2,847.27
Notes: Contracted amount is based on a per route cost of \$26,312.73. The high school has three runs for a total cost of \$78,938.19.						
01-2722-5519-000 Special Education Transportation:	72,541.65	94,000.00	0.00	94,000.00	94,000.00	0.00
Notes: This is the cost for special education transportation services including summer. The dollar difference represents Stafford's portion of the contract at 25%. Special Education Transportation is determined by the number of students, destinations and variables such as the arrival and pick-up schedules and the need for wheelchair capability. In addition, the special education student population is in a constant flux as students move into and out of the district and change placements during the year.						
01-2724-5519-000 Athletic Transportation:	1,765.84	3,000.00	0.00	3,000.00	3,000.00	0.00
Notes: This line represents bus transportation to away games, including basketball, soccer, baseball, cross-country and related tournaments and championships. Currently, Stafford School schedules games within the Southeast League for three seasons of boys and girls sports including Cross Country. Towns included consist of Barrington, Northwood, Nottingham, Deerfield, Chichester, Barnstead, and Epsom. Up to two (2) other games may be scheduled per season outside of the League with area schools as the schedule allows (Rochester, Dover, St. Elizabeth School, St. Mary's, Alton, etc.). The above schedules require up to 35 trips annually for away games or meets at the above locations.						
01-2725-5519-001 Class-Field Trip Transportation:	1,578.50	2,500.00	0.00	2,500.00	2,500.00	0.00
Notes: In town curriculum/community service projects as approved by the administration, Christmas caroling for shut ins, tour of Stafford, Coe-Brown Orientation, Teen Institute, the Browne Center, band and chorus trips to competitions, Rochester Fair, environmental School, etc.

Official - Approved by the Board – 3-26-2008

SAU #44 Strafford
Strafford School District Meeting
March 4, 2008
7:00 PM

School Board Members:

Mr. Bruce Patrick, Chairman
Ms. Lynda Powers, Vice Chairman
Ms. Christine Bane
Mr. Jason Grant
Ms. Rebecca Doty

Others:

Moderator James Allmendinger
Mrs. Judith McGann, Superintendent
Mr. William Tappan, Business Administrator, SAU #44
Mr. Richard Jenisch, Principal
Mr. George Drozin, Assistant Principal
Mr. Daniel Bisson of Team Design
Mr. Randy Remick of Bonnette, Page & Stone
Ms. Barbara Loughman, School District Attorney
Mrs. Carrolle A. Popovich, Clerk

Moderator Allmendinger called the 2008 Strafford School District Meeting to order at 7:15 PM, and declared that there was a quorum present. He noted that the purpose of the meeting was to conduct all lawful business to come before the body. Moderator Allmendinger introduced himself and those sitting at the front table. He noted the following: Mr. Bruce Patrick, Chairman, Ms. Lynda Powers, Vice Chairman, Ms. Christine Bane, Mr. Jason Grant, Ms. Rebecca Doty and Ms. Carrolle Popovich, School District Clerk. He further noted that at the other front table, the following were seated: Ms. Barbara Loughman, Legal Counsel for the Strafford School District; Superintendent Judith McGann; Mr. Richard Jenisch, Principal; Mr. George Drozin, Assistant Principal; Mr. William Tappan, Business Administrator for SAU #44. He further noted the attendance of Mr. Daniel Bisson of Team Design and Mr. Randy Remick of Bonnette, Page & Stone.

Moderator Allmendinger asked that anyone who wished to speak should use the microphone and that they begin by stating their name and address for the record. Moderator Allmendinger began by reviewing the process and procedure he would follow for the meeting, stating that he would not allow any verbal attacks, and asked that those present have a free and open discussion. Moderator Allmendinger stated that, if the rules were not obeyed, he would recess the meeting for a fifteen-minute period and commence again. He further requested that those individuals who wished to speak, address their questions/comments through him as the moderator. Moderator Allmendinger stated that the body might appeal any ruling he has made by a majority vote. He further indicated that he would not vote unless it was to make or break a tie vote. Moderator Allmendinger asked that all motions and amendments be stated in the positive, and that all statements from the body be confined to the issues. He noted that he would allow one amendment to the motion and one amendment to the amendment, stressing the point that he wished to insure adequate debate on all issues. He also noted that the meeting would not follow Robert's Rules nor Mason Rules, but "Jim's Rules". Lastly, Moderator Allmendinger noted that three (3) voters could ask for a secret ballot vote. Moderator Allmendinger pointed out that the Warrant has been posted at the Strafford Town Office Building, the Strafford School, and the

Strafford Post Office as well as at the isinglass Store in Strafford, NH. He stated that as there was a quorum present, he declared the Strafford School District Meeting opened.

Moderator Allmendinger asked that everyone rise for the Pledge of Allegiance to the Flag. Moderator Allmendinger stated that because there is a bond issue on the Warrant, in accordance with state statute, Warrant Article #1 must be acted upon first.

Moderator Allmendinger then read Warrant Article #1.

Warrant Article #1:

"Shall the Strafford School District vote to raise and appropriate the sum of eleven million, two hundred thousand dollars (\$11,200,000.00) for the completion of final plans and specifications and the construction of additions and renovations to the Strafford Elementary School and authorize the issuance of not more than eleven million, two hundred thousand dollars (\$11,200,000.00) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Ch. 33), and further authorize the School Board to issue and negotiate such bonds or notes and determine the rate of interest therein; and further raise and appropriate the additional sum of three hundred, twenty-three thousand five hundred fifty-five dollars and fifty-six cents (\$323,555.56) for the first interest payment on the bond and raise and appropriate the additional sum of two hundred, eighty thousand dollars (\$280,000.00) in interest earned on the bond for use on the project, and authorize the School Board to apply for, accept and expend federal, state or other local grants or funds for the support of the project; and to take any other action necessary to carry out this vote?" (Two-thirds ballot vote required). Estimated Tax Impact \$.66

The School Board recommends this appropriation.

Mr. Grant duly moved the adoption of Warrant Article #1, as read by the Moderator. Ms. Bane seconded the motion. Discussion ensued with a presentation from Ms. Bane, who gave a brief history lesson regarding the many years that have gone into the process of reviewing facility needs, going as far back as 1999. She noted that since 1999, the Facility Needs Committee has gone full circle back to a renovation option, pointing out that critical needs need to be addressed. Ms. Bane spoke to the many options that have been presented to the public over the years. She also spoke about the demographic studies that have been done over the years. Ms. Bane emphasized that, as elected officials, the Strafford School Board is responsible for putting children first. Ms. Bane noted that the Board is now asking for community support for the best solution for our children, stressing the importance of education, and the need to invest in the school and our children to provide a healthy, safe and appropriate learning environment. She added that the proposed building addition/renovations qualify for 30% building aide and will meet all of the needs now and in the future.

Mr. Grant spoke regarding the major building deficiencies at the Strafford School. He reviewed, in length, the Deficiency Plan, reviewing the inadequate and compromised space within the building, noting the guidance, administration, and instructional space and nursing areas. He also reviewed the health and safety issues, maintenance issues and emergency shelter issues. Mr. Grant spoke about the options available and reviewed the Strafford Elementary School Square Footage Recap as done by Team Design (Option A and B). Mr. Grant then turned the meeting over to Mr. Daniel Bisson from Team Design who conducted a review of the First Floor Plan – Option A. Mr. Bisson explained that the mechanical, civil and electrical engineers went through the current facility with a fine toothcomb. The electrical engineer, who noted that one of the main focuses is the improvement of the air circulation within the building, then did a review of the Site Plan. He also reviewed the bus drop off area, the expansion of the parking lot area and the parent drop off area of the proposed building/renovations. Mr. Bisson also did a review of the

proposed drop off area, explaining that the kindergarten will have their own separate area and door. Mr. Bisson continued with a review of the existing shell of the building, pointing out the energy savings that will be appreciated. Mr. Bisson further reviewed the aerial view of the proposed building/renovations.

At this point in the meeting, Mr. Randy Remick of Bonnette, Page & Stone was introduced who spoke about the anticipated construction timeline. Mr. Remick reviewed the site plan, noting that the goal is to do the additions first and then focus on as much of the renovations, once the first wing is occupied. Mr. Remick reviewed many of the components that will be included within the proposed building. At this time, Mr. Remick reviewed the time line, noting that Bonnette, Page & Stone will be the construction company doing the work, adding that his company is located in the Lakes Region, and have been involved in many construction management projects.

Mr. Grant reviewed present vs. future comparison figures and also reviewed the current enrollment figures as well as current capacity figures. He also did a thorough review of the project costs as well as the household impact tax per year at a 4% tax impact rate as well as a 5% tax impact rate. He noted that the 30% state aide figure is included within those figures. Mr. Grant also reviewed the cost per thousand of assessed value information. Ms. Bane explained that the figure of 5% is what is being used on the warrant – in a concerted effort to be conservative.

At this point in the meeting, Moderator Allmendinger opened the floor for discussion regarding Warrant Article #1.

Mr. John Savioli spoke about the information provided, and urged voters to vote in favor of Warrant Article #1. Mr. John Ray spoke in favor of Warrant Article #1, urging voters to vote in favor of Warrant Article #1 as a chance to do something for our kids and our community. Ms. Morgan Edgerly referenced the poor water quality at the school and asked if the plan will include replacing any of the water pipes within the school. Mr. Bisson explained that the plan included the replacement of most of the piping in the school. Ms. Pamela Feiber spoke in favor of Warrant Article #1 stating that the time is now to act, as it benefits our community, and urged voters to vote yes on Warrant Article #1. More discussion ensued from a community member who commented that Warrant Article #1 was a big plan for a small town. Compliments were given to both boards – the Strafford School Board and the Strafford Board of Selectmen for working together, for listening to the needs of the community and working together on behalf of the Strafford community. Mr. Gerald Waldron spoke about the information he'd received from the Town Office regarding tax information. He noted his concerns about the affordability of the proposed plan. Mr. Waldron pointed out the declining job market, declining equities, high food prices and energy prices, adding that he did not feel that the community could afford this expenditure at this time. Mr. Walter Estes spoke in favor of Warrant Article #1, urging voters to vote yes on Warrant Article #1. A question was raised with regards to whether the State will mandate corrections to deficiencies, should Warrant Article #1 not pass. Superintendent McGann explained the perimeters to be able to receive 30% state building aide. She stressed the importance of insuring that the existing building is brought up to code. Further discussion ensued with a community member raising concerns about the fact that the Strafford School is way out of compliance with regards to the special education program. She pointed out the ramifications that could prevail with regards to the possibility of legal issues. Ms. Matthews spoke about her concerns about the high level of carbon dioxide within the school, adding that poor air quality is aiding in the number of sicknesses within the school among students and staff. She noted that, as a result of the poor air quality, students are not able to do their best performance. Ms. Matthews spoke about the importance of passing Warrant Article #1 for the children's health and staff health within the school, and urged voters to vote yes on Warrant Article #1. Mr. Jack Lagasee spoke about the importance of voting yes on Warrant Article #1, adding that if the town puts it off, we'll spend extra money down the road.

Moderator Allmendinger indicated that he would allow only one more speaker prior to limiting debate on Warrant Article #1. Ms. Linda Hartmann was recognized to speak and stated that Warrant Article #1 was just asking for adequate – nothing more than adequate, stressing that the town citizens need to act upon this because the kids deserve it.

Moderator Allmendinger then accepted a motion to move the question, which was made by Ms. Sandra Schwab and was duly seconded. A call for the vote to limit debate was recorded as a unanimous vote in the affirmative by a hand card vote, and was declared as such by Moderator Allmendinger.

Moderator Allmendinger opened the ballot box and presented an empty ballot box to the voters, whereupon he locked the ballot box. At this point in the meeting, the voting process took place. Special thanks go to: Ms. Diane Waldron, Strafford Town Clerk; Ms. Liz Evans; Ms. Carol Cooper; Ms. Martha English and Ms. Marilyn Roderick for all their professionalism in performing their duties of the voter checklist.

Special thanks are also extended to all individuals who were duly appointed by the Strafford School District Clerk who presided over the ballot box while votes were being cast, as well as those who counted ballots for Warrant Article #1.

While votes were being counted, Moderator Allmendinger moved on to Warrant Article #2. He read Warrant Article #2 as follows:

Warrant Article #2:

"To see if the school district will vote to raise and appropriate the amount of ten million, three hundred fifty-three thousand, three hundred twenty-six dollars and thirty-five cents (\$10,353,326.35) for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the school district. This article does not include appropriations voted in other warrant articles."

The School Board recommends this appropriation.

Discussion ensued regarding Warrant Article #2, with Mr. Phil Knox asking if the school board made any cuts to the budget prior to it being presented at the annual School District Meeting. He also questioned the tax impact. Chairman Patrick explained the tax impact, further reviewing in great detail, the budgetary process and how it works. He pointed out that the Board meets many times during budget deliberations, adding that many cuts were made to the proposed budget, which is presented to them by the school administration. Ms. Mary Jane Carroll questioned the number of classrooms for the first grade level. Chairman Patrick noted that although no decisions have been made yet, it would depend on the demographics/school population in specific grades. Mr. Richard Jenisch, Principal of the Strafford School spoke to concerns raised regarding the number of first grade classrooms. Mr. Jenisch noted that discussion did come about with regards to combining classrooms, adding that it is based on the population trends. He did point out that a long hard look would be done with regards to combining classrooms. Mr. Jenisch further pointed out that problems arise when you cut back on classrooms and then the population numbers go up again. He added that he would be reviewing this information with the Board over the next few months. Mr. Gerald Waldron questioned the tax impact that the proposed budgetary figure included within Warrant Article #2 would have on the taxpayers of Strafford and also questioned the budget balance figures that have been on hand at the end of each year. Chairman Patrick reviewed the current tax figures, noting that some encumbrances are done at the end of the year. Chairman Patrick pointed out the fact that School Board members are very frugal, explaining that they review and question every single bill. Chairman Patrick emphasized the fact that Board members watch every single penny, which is how savings are given back to the town each year, to reduce the amount to be raised by taxes. Mr. Waldron questioned other encumbrances that have been taken out of remaining monies at the end of the year. Chairman Patrick explained that

any encumbrances are items that the school has "skimped on" over the year, providing Mr. Waldron with examples of necessary encumbrances. Discussion ensued regarding the demographics of the community. Mr. Waldron commended the teachers and administration at the Strafford School for doing an excellent job with our students.

Further discussion ensued with regards to Warrant Article #2 with Chairman Patrick pointing out that there are fifteen (15) additional students going to Coe-Brown Northwood Academy, which are included within the budget. He also mentioned other increases that have been handed down to the Strafford School District. Mr. Savioli queried the cost for sending students to other school districts. Questions were raised regarding any new positions at the Strafford School. Mr. Jenisch advised that there is a new special education coordinator at the Strafford School, adding that special education costs are significant, further noting how incredibly proud he is of what our school provides to children with disabilities. Mr. Jenisch noted that special education students are held to the same standards as the regular students.

There being no further discussion concerning Warrant Article #2, Moderator Allmendinger re-read Warrant Article #2. On a show of cards, Moderator Allmendinger declared that Warrant Article #2 passed.

Moderator Allmendinger then read Warrant Article #3.

Warrant Article #3:

"Shall the Strafford School District authorize the School Board to convey a conservation easement to the Town of Strafford, acting through its Conservation Commission covering approximately 290 acres of the School District's 365-parcel of land off of Johnsonboro Road for conservation purposes with this donation to enable the Conservation Commission to receive a matching grant from the Coastal Estuarine Land Conservation Program. This conveyance is conditioned on the Conservation Commission covering the cost of producing any and all necessary plans for the School District to retain a minimum of 75 acres of property for future school use. It is also conditioned on the conveyance being made at no cost to the District and on such other and further terms and conditions as the School Board determine are in the best interest of the District?" The School District retains ownership of the entire property.

A motion to move Warrant Article #3 was duly made and seconded.

Mr. Phil Auger spoke to Warrant Article #3. He reviewed the Isinglass River Corridor Project in detail, noting that it is a partnership with the Town of Strafford, the Conservation District, the Trust for Public Land and a small regional land trust. Mr. Auger noted the significance of the Isinglass River. He then provided a detailed power point presentation on the project, reviewing the Boulders of Strafford project, the Boulders Subdivision Plan and the Boulders Project Fiscal Impact Projections for the Town of Strafford.

Moderator Allmendinger declared that the voting polls with regards to voting on Warrant Article #1 would close in five (5) minutes.

Mr. Auger noted the fiscal impact of the project and reviewed the Strafford Education Fiscal Impact for 2007/2008 Data. Mr. Auger gave a brief history regarding the process and procedure, which was followed to be able to obtain the grant. He noted that the total commitment is \$150,000. Mr. Auger went on to note that the CELP Grant is a one-to-one match, adding that the Conservation District has been working on finding match properties – either as a gift or as a conservation easement.

Moderator Allmendinger declared that the voting on Warrant Article #1 was officially closed at 9:49 PM.

Mr. Auger reviewed the Stafford School property in question and the Warrant Article before the body and reviewed the physical features of the property. He explained the different types of easements available, summarizing that the "Town of Stafford will be investing \$150,000 to get over a 1.4 million dollar investment—a lot of bang for our buck."

Ms. Judy Whitcher queried Mr. Auger regarding the request, noting that there is sufficient money in the Conservation treasury. She noted that she did not think that the town should give this asset away when it may be needed in the future. Mr. Auger noted that the Conservation District is not approaching the Stafford School District for any money, making it clear that the Stafford School District will retain ownership. Mr. Irving Johnson stated that, in his opinion, by doing this would diminish the value of the land in question. Mr. Auger noted that the Conservation District did an appraisal on the portion of land that is being considered, not the whole piece of land. Mr. Johnson suggested that consideration should be given to the utilization of perhaps one hundred acres of the back land or the ledges. Ms. Suzie Morgan spoke to her concerns about the project, and the impact it would have on the accessibility of the water in that area. Mr. Auger explained that the proposal would allow for water withdrawal. Several other Stafford citizens spoke in favor of the proposal, such as Mr. Charles Moreno who noted that an unbiased appraisal was conducted on the land, further pointing out that the valuable part of the land is the front part of which the school is keeping. Further discussion ensued regarding other funding sources being explored by the Conservation District. Mr. Paul Eaton spoke in favor of Warrant Article #3, stating that it makes good sense for the Town of Stafford; it will reduce future growth within the Town and the proposal provides the residents of Stafford with the best of both worlds. Mr. Eaton went on to note that the proposal is ranked #1 nationally and is fully supported by many, adding that it is an opportunity to bring our community together. Mr. Cal Schroeder spoke to the positive aspects of Warrant Article #3.

Moderator Allmendinger then accepted a motion to limit debate, which was duly made and seconded. Moderator Allmendinger called for the vote to limit debate, which was voted, by a show of cards, in the affirmative.

There being no further discussion, Moderator Allmendinger then called for the vote on Warrant Article #3. On a show of cards, the vote on Warrant Article #3 passed.

With regards to Warrant Article #1 - Moderator Allmendinger reported the following: 404 votes were cast; 244 in the affirmative; 159 in the negative with 1 blank ballot. Moderator Allmendinger pointed out that Warrant Article #1 needed a two-thirds majority vote to pass, noting that the motion failed.

Moderator Allmendinger then read Warrant Article #4:

Warrant Article #4:

To see if the School District will vote to raise and appropriate up to twenty-five thousand dollars (\$25,000.00) to be placed in the school district capital reserve fund established in 1985, for the purpose of financing any and all capital improvements to school buildings as well as all or part of the cost of new construction for the school district in accordance with the provisions of RSA Ch 35, with such amount to be funded from the year end undesignated fund balance (surplus) available on July 1, 2008. The balance of this account as of this date is two hundred, fifty one thousand, eight hundred, fifty-three dollars (\$251,853.00).

Moderator Allmendinger recognized Chairman Bruce Patrick who moved Warrant Article #4 as read by the Moderator. Ms. Doty seconded the motion. There being no questions relative to Warrant Article #4, Moderator Allmendinger called for the vote on Warrant Article #4. On a show of cards, Moderator Allmendinger declared that the vote on Warrant Article #4 passed.

Moderator Allmendinger then read Warrant Article #5.

Warrant Article #5:

To choose agents and committees in relation to any subject embraced in this warrant.

Vice Chairman Powers then moved the adoption of Warrant Article #5. Chairman Patrick seconded the motion. Chairman Patrick explained that this warrant article allows the Board to form committees. There being no discussion following the motion, Moderator Allmendinger reread Warrant Article #5 and then called for the vote on the motion. On a show of cards, Moderator Allmendinger declared that Warrant Article #5 passed.

Warrant Article #6

To transact any other business which may legally come before this meeting.

A motion was then made, and was duly seconded, to reconsider Warrant Article #1. Moderator Allmendinger noted the RSA with regards to reconsideration, and read the RSA in length. Moderator Allmendinger then called for the vote on the motion to re-consider Warrant Article #1. On a show of cards, Moderator Allmendinger requested that a vote count be conducted. After doing such, Moderator Allmendinger declared that the vote to reconsider Warrant Article #1 passed.

Discussion ensued with regards to a suggested day to hold the reconsideration meeting with regards to Warrant Article #1.

There being no further business to come before the March 4, 2008 Strafford School District Meeting, Moderator Allmendinger adjourned the meeting for the evening at 10:30 PM.

Respectfully submitted,

Carrolle A. Popovich
Strafford School District Clerk
Approved by the Board – 3-26-2008

Official - Approved by the Board – 3-26-2008

SAU #44 Strafford
Strafford School District Meeting
Reconsideration Meeting for Warrant Article #1
March 12, 2008
7:00 PM

School Board Members:

Mr. Bruce Patrick, Chairman
Ms. Lynda Powers, Vice Chairman
Ms. Christine Bane
Mr. Jason Grant
Ms. Rebecca Doty

Others:

Moderator James Allmendinger
Mrs. Judith McGann, Superintendent
Mr. William Tappan, Business Administrator, SAU #44
Mr. George Drozin, Assistant Principal
Mr. Daniel Bisson of Team Design
Mr. Randy Remick of Bonnette, Page & Stone
Ms. Barbara Loughman, School District Attorney
Mrs. Carrolle A. Popovich, Clerk

Moderator Allmendinger called the 2008 Strafford School District Reconsideration Meeting to order at 7:17 PM, and declared that there was a quorum present. He noted that the purpose of the meeting was to reconsider Warrant Article #1. Moderator Allmendinger introduced himself and those sitting at the front table. He noted the following: Mr. Bruce Patrick, Chairman, Ms. Lynda Powers, Vice Chairman, Ms. Christine Bane, Mr. Jason Grant, Ms. Rebecca Doty and Ms. Carrolle Popovich, School District Clerk. He further noted that at the other front table, the following were seated: Ms. Barbara Loughman, Legal Counsel for the Strafford School District; Superintendent Judith McGann; Mr. George Drozin, Assistant Principal; Mr. William Tappan, Business Administrator for SAU #44.

Moderator Allmendinger asked that anyone who wished to speak should use the microphone and that they speak clearly and begin by stating their name and address for the record. Moderator Allmendinger began by reviewing the process and procedure he would follow for the meeting, stating that he would not allow any verbal attacks, and asked that those present have a free and open discussion, with no profane or inappropriate language. Moderator Allmendinger stated that, if the rules were not obeyed, he would recess the meeting for a fifteen-minute period and commence again. He further requested that those individuals, who wished to speak, address their questions/comments through him as the moderator. Moderator Allmendinger explained how motions for reconsideration work, adding that they typically cause strong and hard feelings on both sides. He spoke to the NH State Statutes (2) that address reconsideration votes. Moderator Allmendinger noted the parliamentary procedure that he would follow, stating that if another vote to reconsider was made, he would rule it out of order, however, he explained that the body could vote to over rule his ruling for reconsideration with a majority vote, and then a reconsideration motion could then be brought forth. Moderator Allmendinger stated that he would allow one amendment to the motion and one amendment to the amendment. He noted that it was his desire to allow adequate debate on the issue at hand. He further indicated that he would not vote unless it was to make or break a tie vote. Moderator Allmendinger asked that all statements from the body be confined to the issue and that speakers make their comments brief.

He also noted that the meeting would not follow Robert's Rules nor Mason Rules, but "Jim's Rules". Moderator Allmendinger asked that everyone in the audience please silence their cell phones and pagers. He further stated that he would allow proponents who wish to speak to Warrant Article #1 to do so. Lastly, Moderator Allmendinger pointed out that the Warrant Article #1 had been duly advertised and posted in appropriate places throughout the community, and that he was treating it as a motion to reconsider, which was made at the march 4, 2008 School District Meeting, and therefore there was no need for an additional motion and second. Moderator Allmendinger stated that as there was a quorum present and he declared the Strafford School District Meeting regarding the reconsideration of Warrant Article #1 opened.

Moderator Allmendinger asked that everyone rise for the Pledge of Allegiance to the Flag.

Moderator Allmendinger then read Warrant Article #1.

Warrant Article #1:

"Shall the Strafford School District vote to raise and appropriate the sum of eleven million, two hundred thousand dollars (\$11,200,000.00) for the completion of final plans and specifications and the construction of additions and renovations to the Strafford Elementary School and authorize the issuance of not more than eleven million, two hundred thousand dollars (\$11,200,000.00) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Ch. 33), and further authorize the School Board to issue and negotiate such bonds or notes and determine the rate of interest therein; and further raise and appropriate the additional sum of three hundred, twenty-three thousand five hundred fifty-five dollars and fifty-six cents (\$323,555.56) for the first interest payment on the bond and raise and appropriate the additional sum of two hundred, eighty thousand dollars (\$280,000.00) in interest earned on the bond for use on the project, and authorize the School Board to apply for, accept and expend federal, state or other local grants or funds for the support of the project; and to take any other action necessary to carry out this vote?" (Two-thirds ballot vote required). Estimated Tax Impact \$,.66

The School Board recommends this appropriation.

Ms. Christine Bane, member of the Strafford School Board and Facility Needs Committee spoke regarding Warrant Article #1. Ms. Bane stated that everyone in attendance was here for the process as friends and good neighbors. Ms. Bane reviewed the history of the committees that were formed over the years to address the needs of the school. She reviewed all of the work that has gone into the numerous studies, pointing out that all this information has been shared with the public through mailings, and informational meetings. She stressed that the School Board has considered all the requirements, and has done their homework. Ms. Bane pointed out that this plan couldn't be cut, reduced or altered, adding that the plan does not include any extras – however, it will meet the critical needs/necessities such as clean air, clean water, and an appropriate facility. Ms. Bane reviewed what the plan would entail as far as classroom space, noting that the additions and renovations will bring the building up to code, and will allow for more students in the future.

Mr. Jason Grant, member of the Strafford School Board and Facility Needs Committee addressed the cost factor. He reviewed the fact that the cost was a guaranteed maximum price. Mr. Grant reviewed the numerous meetings, which were held in a concerted effort to bring the cost of the proposed construction down, adding that the plan includes using most of the already existing kitchen equipment, most of the desks, chairs, bookshelves and office equipment. He added that the proposal uses the footprint wisely and it would also keep the two playing fields intact. Mr. Grant pointed out that bond rates are low, and should the proposal pass, the School District could lock in at an interest rate of 4% or possibly lower. He noted that the proposal would cost the average household \$1.12 per day – less than a cup of coffee. Mr. Grant pointed out that it the

proposal is voted down, it will only cost more in the future, adding that the stimulus package proposed for taxpayers would certainly cover the costs of the increase in taxes. Mr. Grant spoke to the positive aspect of a guaranteed maximum price for construction.

Ms. Bane then reviewed the floor plan of the proposed building addition/construction/renovation component. She explained that the plan will provide extra rooms and will accommodate future growth to 2018-2025. Mr. Grant explained that the State would be 30% of the \$11.2 million dollars for state aide. Mr. Grant further noted that the plan includes 45,000 square feet which will be renovated, adding that the proposal will update antiquated systems within the building, will bring it up to code, will eliminate the high levels of CO 2 in the building, will include the addition of a generator for the building, will include the installation of a sprinkler system and include showers for the facility, as the Strafford School is the designated emergency shelter for the Town of Strafford. Mr. Grant further pointed out that the construction/renovations will bring the building up to all life and safety code issues, and will address all the needs of students as well as staff.

At this point in the meeting, Moderator Allmendinger opened the floor for questions from the audience. He asked that those wishing to speak clearly state their name and address.

Ms. Cheryl Roy, Co-Chairman of the Facility Needs Committee was recognized to speak who stated that the committee has worked very hard to improve the communications with the town, fire and school. She stated that she was very proud of the committee, adding that the proposal was a good plan, stressing that it needed to be passed for the safety of our children, adding that our children need a good education in a safe environment. Ms. Erica Helm spoke about her concerns about the air quality in the building, and the possibility of lawsuits that could evolve, as a result of the poor air quality, as has been experienced in other school districts in the State. She pointed out the fact that the State Department of Education is under no obligation to give any waivers to the Strafford School. Ms. Helm stated that she is proud to live in Strafford, pointing out the many ramifications that may come about as a result of not addressing the air quality issues within the school. Ms. Carolyn Clark stated that she was willing to make sacrifices, and challenged everyone in the audience to make sacrifices for the children of Strafford. Mr. Lou Goskinski questioned what would happen if Warrant Article #1 did not pass, further questioning the Board if they have a plan. Mr. Grant stated that the plan would be to open more windows. He noted that the issue at hand would have to wait another year, while fans are put in the windows, and heating costs rise. He noted his concerns about the significant levels of CO2 in the building. Mr. Goskinski pointed out the conditions that our children have to come to learn in every day. He asked those in attendance to look at the NECAP scores, adding that Strafford students have scored among the highest in the State of New Hampshire. He stated that he tipped his hat to all of the students and teachers who have to learn/teach in these conditions. Mr. Don Black spoke to the decision making process, stating that was voting in favor of Warrant Article #1, and hoped that everyone else would. Mr. Lester Huckins queried the amount of money currently in the Capital Reserve Fund, asking if that money could be used to improve the air quality in the school. It was the recommendation of Mr. Huckins that the Board consider doing projects "piece meal". Ms. Bane explained that just the quote on the ventilation alone within the building is close to two million dollars. Mr. Irving Johnson spoke to the land owned by the Strafford School District and the fact that a portion of this land was approved by the voters of Strafford to be given as a conservation easement. Ms. Bane explained that, in years past, the issue of building a new school on this land failed, noting that although a small portion of land was given for a conservation easement, there is ample land remaining that could be used to build upon. Ms. Bane reminded everyone that the land in question was purchased as per the vote of the residents within Strafford. Mr. Don Clifford asked if the plan incorporates a new roof over the entire project. Mr. Dan Bisson of Team Design explained that the plan is to replace a portion of the roof, which is 20 years old. He noted further that all the other roofs are in very good shape and do not need to be replaced. Mr. Bisson added that the plan is to match the old roof with the new roof. Ms. Sue Forsythe spoke about a two letters that she planned to include on the web site: www.StraffordTaxPayersCoalition.org. She also spoke to the importance of speaking to each

other in a respectful matter, without the fear of being intimidated. She thanked the Strafford School Board members for all their time and energy put forth. Mr. Robert Perry stated that in terms of security, the Strafford School is a sieve. He spoke in favor of insuring that the students of Strafford have a safe and healthy environment. Ms. Sharon Oman queried what would happen should Warrant Article #1 not pass. She expressed concerns regarding this issue, and what has happened in other school districts. Superintendent McGann explained that there is a school approval process and all school district have to go through with specific mandates. She noted that if certain mandates and standards are not being met – school districts *might* lose federal funds and federal grant funds. She noted that there are other components involved such as the State Fire Marshall's Office – who review the various components and standards that have to be met. Superintendent McGann further noted that no waivers are given, which will mean that school districts will have to conform to specific mandates, and will have to supply a building that would meet the compliance issues, such as modular buildings. Superintendent McGann stated that, in other districts, bussing has been done to other school districts. Discussion ensued regarding the tuition cost of sending students to another schools, should the need arise. Ms. Elaine Grant stated that the most conservative thing that Strafford residents can do is to vote for the plan, as it will get more expensive as time goes on. She added that this is the smart thing to do for our wallets. Mr. James Cyr noted his concerns about lead paint issues. Ms. Denise Rainey stated that it was her feeling that the taxpayers just could not afford an expenditure of this magnitude. She spoke about the significant tax implication that will prevail, should Warrant Article #1 pass. Ms. Bane noted the average cost of homes in Strafford and the average cost per taxpayer over a fifteen-year period. Ms. Patricia Baker shared a conversation that she had with her seven year old son, who asked why the people in Strafford don't want the children that attend the Strafford School to have a safe and healthy school. She stated that by not voting for Warrant Article #1, we are sending a message to our children that they are not important, and urged everyone in attendance to vote yes on Warrant Article #1.

At this point in the meeting, Moderator Allmendinger called the question. He noted that the voting polls would be open for one hour, asking that all individuals present their authorization cards to the supervisors of the checklist. He opened the ballot box and presented an empty ballot box to the voters, whereupon he locked the ballot box. At this point in the meeting, the voting process took place. Special thanks go to: Ms. Diane Waldron, Strafford Town Clerk; Ms. Liz Evans; Ms. Carol Cooper; Ms. Martha English and Ms. Marilyn Roderick for all their professionalism in performing their duties of the voter checklist.

The Strafford School District Clerk who presided over the ballot box while votes were being cast, as well as those who counted ballots for Warrant Article #1 also extend special thanks to all individuals who were duly appointed.

Moderator Allmendinger re-read Warrant Article #1 as follows:

Warrant Article #1:

"Shall the Strafford School District vote to raise and appropriate the sum of eleven million, two hundred thousand dollars (\$11,200,000.00) for the completion of final plans and specifications and the construction of additions and renovations to the Strafford Elementary School and authorize the issuance of not more than eleven million, two hundred thousand dollars (\$11,200,000.00) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Ch. 33), and further authorize the School Board to issue and negotiate such bonds or notes and determine the rate of interest therein; and further raise and appropriate the additional sum of three hundred, twenty-three thousand five hundred fifty-five dollars and fifty-six cents (\$323,555.56) for the first interest payment on the bond and raise and appropriate the additional sum of two hundred, eighty thousand dollars (\$280,000.00) in interest earned on the bond for use on the project, and authorize the School Board to apply for, accept and expend federal, state or other local grants or funds for the support of the project; and to take any other action

necessary to carry out this vote?" (Two-thirds ballot vote required). Estimated Tax Impact \$.66

Moderator Allmendinger then recessed the Reconsideration Meeting for one hour commencing at 8:10 PM.

Moderator Allmendinger then re-opened the Reconsideration Meeting at 9:31 PM, announcing the vote on Warrant Article #1 as follows: From the seven hundred two votes (702) cast, there needed to be a two-thirds majority vote for Warrant Article to pass. He noted that there were three hundred sixty-four (364) affirmative votes and three hundred eleven (311) negative votes and one blank vote. Moderator Allmendinger stated that Warrant Article #1 failed by ninety-nine (99) votes.

Moderator Allmendinger then accepted a motion to adjourn the meeting, which was duly seconded. There being no further business to come before the meeting, Moderator Allmendinger announced that the meeting was adjourned at 9:32 PM.

Respectfully submitted,

Carrolle A. Popovich
Strafford School District Clerk
Approved by the Board – 3-26-2008

**Strafford School
Report of the Principal
2008**

A parent approached me this fall during open house and commented on the wonderful sense of community that exists within our school and how much his family loved the school and their child's teachers. Hundreds of parents visited with friends and neighbors that evening, toured classrooms, learned about school programs and special activities, and expressed their support for the school. On grandparent's day, sponsored by the food service program, 190 plus grandparents came to have lunch with their grandchildren. Many celebrated this opportunity and expressed great support for the school. They all commented on how polite and happy the students seemed to be and how eager they were to share their school experiences. At Pumpkin Hollow hundreds of families and extended families came together to participate in what has become a premier community event sponsored by our PTO. The atmosphere was exciting and everyone shared in the fun. During parent conferences in November over 90% of parents visited the school to learn about their child's progress and performance, an impressive response from parents whose schedules are already full. After virtually every field trip or in school special assembly or presentation our students are complimented on their behavior, interest, and participation. Our local police chief recently shared an experience with me that one of his officers had at an out of state school he had to visit. He reports that security was so tight it took several minutes just to enter the building and get to the main office. He described the building as a fortress. Although our school has elaborate safety protocols and practices in place, how fortunate we are to be able to balance security procedures with reasonable access to the school. At every school function formal and informal we are reminded of how fortunate we are to live in such a safe, protected and supportive community where the rural lifestyle is practiced and valued by all and where support for children is a priority. It is a lifestyle that we must never take for granted and one we must work hard to preserve for our children now and in the future.

I am happy to report that Strafford School continues to perform well as measured by the State of N.H. assessment program. Students in grades 3-8 are tested annually in language arts and math and in writing (grades 4 & 8). Last year Strafford students scored above N.H. averages in all three curriculum areas and, as a result, our school once again made AYP (annual yearly progress). We continue to explore ways to strengthen our program through teacher training, curriculum development, program adoptions, and through a comprehensive and ongoing analysis of assessment scores. The challenges are many and the staff and administration are committed to doing whatever is necessary to make certain our students are competitive with their peers throughout the country. For further information on our school's performance, please refer to the attached No Child Left Behind Report Card which can also be found on the N.H. Department of Education website.

Enrollment at the school has stabilized and is currently at 462. Although movement into and out of the school has slowed we still welcomed 30 plus new students to the school this year balancing those who left. In these difficult economic times, we do not expect dramatic changes in student enrollment either up or down. We expect the population to remain about the same for the 2009-2010 school year.

Summers at Strafford School continue to be very busy. This year the school offered or hosted the summer arts program, a summer basketball camp coordinated by Coe-Brown students, a summer art studio for all ages, a summer literacy program for students in grades K-2, a summer tutoring program for middle school students, instrumental music lessons, summer Reading Recovery, and a transition program emphasizing reading and math for students entering third grade. These programs were funded by the school district and through our rural school grant (REAP).

Many facilities upgrades were also completed over the summer months. They include ventilation upgrades, roof repairs, replacement of bathroom fixtures throughout the building, extensive painting, replacement of floor tiles, replacement of several interior and exterior doors, construction of secure storage units in the music

rooms, replacement of window shades in the cafeteria and classrooms, upgrades to the sound system in the gymnasium, repairs to outside lighting, and replacement of bathroom partitions.

In December of the current school year, the school will move into the space vacated by the Town Office. A committee met several times to consider options and a plan was presented to and accepted by the Strafford School Board. The primary special needs program will move from the modular annex into the main building. The assistant principal's office will also move into this area. The guidance program housed in a book closet will move into an office space as well. The final area will be used to expand the office area. Records, office machines, file cabinets, and work tables will be moved into the space directly adjacent to the current main office. For the first time, the school will meet state standards for records storage which require fire proof files or a secure vault. These moves will help alleviate some of the space problems and cramped conditions that exist at the school. It is a welcome change.

The school district has contracted with RPF, a local air quality testing company, to complete a series of tests within the school throughout the year. Air quality will be tested throughout the building each quarter of the school year to determine what additional ventilation upgrades will be needed to bring the school in compliance with acceptable standards. The air quality reports will be available for public review when they are complete.

We continue to lose key staff members to retirement. Last year fifth grade teacher Mrs. Marylou Stano, seventh grade teacher Mrs. Susan Tanguay, and custodian Mr. Leo Howard retired after dozens of years of service to the school and community. We thank them for their commitment to our school and students and commend them for their years of service. This year we will lose three additional educators to retirement as the transition continues at our school. Could it be we are all getting older? The administration has worked very hard to secure replacements for these individuals and we are very excited and proud of our new staff. They are highly qualified and bring a wide range of experience, knowledge, and talent to our program.

It is important for me to recognize all the volunteers that work at our school and commend their contributions to our school. We simply could not do what we do without their support and assistance. I would especially like to thank our PTO volunteers including co-chairs Mrs. Deisha Thivierge and Mrs. Erin Swansburg and officers Marcy Whitchee and Doreen Mathison. Their dedication to the school is simply extraordinary. Our PTO has raised tens of thousands of dollars to support all kinds of projects, purchases, and programs to support or enhance the school program. We cannot thank them enough for all their hard work and effort.

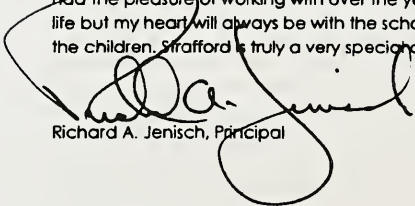

Over the past few years our school and students have been involved in several community outreach projects. This has included work with local nursing homes, collecting food for our local food pantry, and sending care packages, cards, letters, and Christmas trees to our troops serving in other countries. This fall, with the support of the school community, we sent 10 care packages to troops. We also held two food drives which were extremely successful. We were able to collect two pick-up truck loads of food for our local food pantry because of generous donations from staff, students, and their families. In a society that has largely focused on "me," it is important that we teach our children the value of sharing and giving as part of everyday living. We live in a world that needs many more acts of kindness and tolerance.

For the past 20 plus years Strafford School has been participating in the Destination Imagination Program. DI is a non-profit volunteer driven educational organization that teaches young people from kindergarten level through the university level the critical and creative thinking skills needed for success in the real world. DI exists in all 50 US States and in over 40 other countries throughout the world. Each year teams of up to seven students compete regionally with the goal of advancing to the State of N.H. finals and World Finals. The teams work together for several months to create their solutions to team challenges which are new each year. The challenges include theatrical, structural, improvisational, scientific or technical focuses. Teams also learn and practice creative quick-thinking skills for the Instant Challenge portion of the program. Strafford Students have won first place dozens of times at regional and state competitions. Teams have advanced to World Finals SIX

times including last year. Those teams have taken eighth place, third place two years ago, and third place again last year in Knoxville Tennessee coached by Mrs. Pat Lucas and Mrs. Sheila Hatfield. This is a remarkable achievement for Strafford School students who have represented their school and community at the highest levels at regional, state, and world competitions. I want to thank Mrs. Pat Lucas, Strafford's DI coordinator and coach. She has served in this capacity for over 20 years. Without her, it is likely the DI program would not exist. We deeply appreciate her commitment to our students and to the DI program.

Strafford School is currently involved in a technology initiative that has brought new SMARTBoard technology to several classrooms at the school. The SMART interactive whiteboard is a touch-sensitive display that connects to a computer and digital projector. Using a finger, you can control computer application, write, pull up charts and images, search the internet, play videos, and save work using a large screen format. The SMART interactive whiteboard has the flexibility to engage all learning styles and is especially useful in working with special populations. Through the school district budget and through grants, we have been able to purchase 10 of these units. Every special education classroom has a unit plus several special and regular classrooms. Two of our staff members have been trained to be certified SMART Board trainers. They conduct ongoing training in the use of this technology to staff in house. The success of students using this technology in their core subject areas has been amazing.

It is hard to believe that this will be my last report to the town as principal of Strafford School. I have been truly blessed and privileged to work with thousands of students, parents, and educators during my time here in Strafford. I could not imagine being in a more wonderful school or community. I would like to thank our very qualified staff, our hard working School Board, our PTO, our police and fire department, our road agent, our board of selectmen, parents, the citizens of Strafford, and, most important, the extraordinary students I have had the pleasure of working with over the years. Leaving Strafford School will be the hardest transition of my life but my heart will always be with the school, with the fire department I served for so many years, and with the children. Strafford is truly a very special community.

Richard A. Jenisch, Principal

Student Achievement Trend Data in Science		
Number and Percent of Students Scoring Proficient or Above (Based on the May 2008 NH-Alt and NECAP Science Assessments)		
Grade	N	%
4		
8		
11		

Note: Grade indicates the student's grade level in May of the school year listed at the top of the column.

Note: The data represent results from the NECAP Science and NH-Alt administrations. The NECAP Science assessment is administered in May of each school year. NH-Alt portfolios are assembled throughout the school year.

Note: Data are not shown for groups with fewer than ten (10) students.

Student Achievement Trend Data - Number and Percent of Students Scoring Proficient or Above (Current Year Data is based on the May 2007 NH-Alt and October 2007 NECAP Assessments)

	Mathematics									
	Writing									

Note: Grade multi-etc. the student's grade level in October of the school year listed at the top of the column.

Note: The number and percent of students who scored Proficient or better combines data from the NECAP and the NH-Alt assessments. The NECAP is administered in October of each school year and NH-Alt portfolios are assembled during the prior school year.

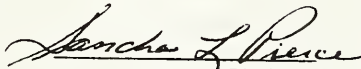

Note: Data are not shown for groups with fewer than ten (10) students.

Note: The high school NH-Alt assessment data was combined for the first time in 2007-2008.

REPORT OF SCHOOL DISTRICT TREASURER

Superintendent's Report

2007-2008

Significant changes in personnel and practice sum up School Administrative Unit #44's past year of service to its communities. Even with the changes, the SAU continues to move forward with its initiatives in the areas of curriculum and instruction. An SAU-wide English/Language Arts curriculum was represented to the staffs of the three SAU districts. For the first time, SAU #44 has a single Mathematics curriculum being implemented in each of the three districts. Next on the list of curriculum development is Science and that will be followed up by Social Studies in the near future. The Professional Development Committee has worked toward developing a new Professional Development plan, which educators will utilize to accumulate the necessary knowledge, skills and training to fulfill their Three-Year Recertification requirements. In addition, the SAU has implemented a new mentoring program that will ease the transition of teachers new to the SAU into their new schools. This has been a very busy and challenging year, but very rewarding as well.

The Strafford School administration and staff were extremely proud to have made Adequate Yearly Progress for the 2007-2008 school year. Mr. Richard Jenisch, who has served Strafford School well for more than 20 years, and Mr. George Drozin, who is in his 5th year as the Assistant Principal at Strafford, have placed an emphasis on instructional decisions being based on the individual needs of the students of Strafford. Beyond looking at test data, the administration and staff continue to try to develop the whole child, not just the academic side of Strafford's students. By doing so, an atmosphere of community, learning and cooperation has been perpetuated within the walls of Strafford School.

The 07-08 school year began with fall testing. An expanded NWEA test schedule brought primary students into the computer lab to participate in the school's standardized assessments for the first time. Students also worked hard at, and performed well on, the state's assessment – the NECAP. Beyond the data collection, Strafford School provided a wealth of educational opportunities and experiences for its students – in and out of the classroom. Trips to Montreal for foreign language students and to a week-long environmental camp for sixth graders are two examples of opportunities that Strafford School provides that many other schools do not. Strafford School students brought home trophies for athletic success on championship sports teams and for academic success as Strafford School students were lauded for art, spelling, geography and the Destination Imagination, which placed in the top 10 in the World for a second-straight year.

The support of both the Strafford community and the parents of Strafford School students; and the dedication of the Strafford School administration and staff all play roles in the success of Strafford School and its students. Thank you.

Respectfully submitted,

Dr. Michael Ludwell

Interim Superintendent of Schools

School Administrative Unit #44

Thank You!

We'd like to take this opportunity to thank the many residents of Strafford that donated their time, materials, and/or services to the building and completion of the new Strafford Town Hall. Given the great generosity we have been shown, it is highly probable that we have omitted an organization or individual. Please accept our apologies in advance!
